 47 provided by the department of health and senior services. For purposes of this section, the term
 48 "case management" shall mean those activities of local public health personnel to identify
 49 prospective MO HealthNet-eligible high-risk mothers and enroll them in the state's MO HealthNet

1 program, refer them to local physicians or local health departments who provide prenatal care under

 44 subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and
 45 chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to
