1 (5) For nonresident individuals in all taxable years ending on or after December 31, 2006,
2 the amount of any property taxes paid to another state or a political subdivision of another state for
3 which a deduction was allowed on such nonresident's federal return in the taxable year unless such
4 state, political subdivision of a state, or the District of Columbia allows a subtraction from income
5 for property taxes paid to this state for purposes of calculating income for the income tax for such
6 state, political subdivision of a state, or the District of Columbia.

7 (6) For all tax years beginning on or after January 1, 2018, any interest expense paid or
8 accrued in a previous taxable year, but allowed as a deduction under 26 U.S.C. 163, as amended, in
9 the current taxable year by reason of the carryforward of disallowed business interest provisions of
10 26 U.S.C. 163(j), as amended. For the purposes of this subdivision, an interest expense is
11 considered paid or accrued only in the first taxable year the deduction would have been allowable

20 carry the described obligations or securities and by any expenses incurred in the production of
21 interest or dividend income described in this subdivision. The reduction in the previous sentence
22 shall only apply to the extent that such expenses including amortizable bond premiums are deducted

25 dollars;

26 (2) The portion of any gain, from the sale or other disposition of property having a higher
27 adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax
28 purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is
29 considered a long-term capital gain for federal income tax purposes, the modification shall be
30 limited to one-half of such portion of the gain;

(8) For all tax years beginning on or after January 1, 2005, the amount of any income received for military service while the taxpayer serves in a combat zone which is included in federal adjusted gross income and not otherwise excluded therefrom. As used in this section, "combat zone" means any area which the President of the United States by Executive Order designates as an area in which Armed Forces of the United States are or have engaged in combat. Service is performed in a combat zone only if performed on or after the date designated by the President by Executive Order as the date of the commencing of combat activities in such zone, and on or before the date designated by the President by Executive Order as the date of the termination of combatant activities in such zone;

(9) For all tax years ending on or after July 1, 2002, with respect to qualified property that is sold or otherwise disposed of during a taxable year by a taxpayer and for which an additional modification was made under subdivision (3) of subsection 2 of this section, the amount by which additional modification made under subdivision (3) of subsection 2 of this section on qualified property has not been recovered through the additional subtractions provided in subdivision (7) of this subsection; [and]

For the purposes of this subdivision, an interest expense is considered paid or accrued only in the first taxable year the deduction would have been allowable under 26 U.S.C. 163, as amended, if the limitation under 26 U.S.C. 163(j), as amended, did not exist.
