FISCAL ANALYSIS

ASSUMPTION

Officials at the **City of Kansas City** assume this legislation could have a negative fiscal impact on the City. For instance, the City would be prohibited from imposing a special tax on water sold in plastic bottles and may be unable to impose a sales tax on cups and bags.

Oversight inquired the City of Kansas City regarding this proposal. There is no current special tax on water sold in plastic bottles, cups and/or bags.

Officials at the **Office of the Attorney General**, the **Office of Administration**, the **Office of the State Courts Administrator** and the **Department of Natural Resources** each assume no fiscal impact to their respective agencies from this proposal.

Oversight notes that the Office of the Attorney General, the Office of Administration, the Office of the State Courts Administrator and the Department of Natural Resources have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Officials at the **Monroe County Assessor's Office**, the **Metropolitan St. Louis Sewer District** and the **City of Columbia** each assume no fiscal impact to their respective entities from this proposal.

In response to similar legislation from 2018, HCS for HB 1396, officials at **St. Louis County** and **Boone County** each assumed no fiscal impact to their respective entities from this proposal.

Oversight also reached out to the Department of Revenue to inquire if any taxes are collected on plastic goods. Upon the receipt of their response, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note. Therefore, Oversight will reflect a \$0 to unknown loss in potential tax revenues from this proposal.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other local political subdivisions were requested to respond to this proposed legislation but did not.
