FISCAL ANALYSIS

ASSUMPTION

§575.120 - False impersonation of a law enforcement officer

For the purpose of this proposed legislation, officials from the **Office of State Public Defender (SPD)** state they cannot assume that existing staff will provide effective representation for any new cases arising where indigent persons are charged with the proposed new crime of being lawfully detained and falsely representing himself or herself to a law enforcement officer with the first and last name, date of birth, Social Security number or a substantial number of identifying factors or characteristics as that of another person - a new class A misdemeanor. The Missouri State Public Defender System is currently providing legal representation in caseloads in excess of recognized standards.

In Fiscal Year 2018, SPD's Trial Division opened 7 cases under charge code 575.120 of the 63,395 total cases opened.

While the number of new cases (or cases with increased penalties) may be too few or uncertain to request additional funding for this specific bill, the SPD will continue to request sufficient appropriations to provide effective representation in all cases where the right to counsel attaches.

Oversight notes over the last three fiscal years, the SPD has lapsed a total of \$152 of General Revenue appropriations (\$0 out of \$36.4 million in FY 2016; \$2 out of \$28.0 million in FY 2017; and \$150 out of \$42.5 million in FY 2018). Therefore, Oversight assumes the SPD is at maximum capacity, and the increase in workload resulting from this bill cannot be absorbed within SPD's current resources.

Adding one additional Assistant Public Defender 1 (APD) with a starting salary of \$47,000, will cost approximately \$74,500 per year in personal service and fringe benefit costs. One additional APD II (\$52,000 per year; eligible for consideration after 1 year of successful performance at APD I) will cost the state approximately \$81,000 per year in personal service and fringe benefit costs. When expense and equipment costs such as travel, training, furniture, equipment and supplies are included, Oversight assumes the cost for a new APD could approach \$100,000 per year.

Oversight assumes the SPD cannot absorb the additional caseload that may result from this proposal within their existing resources and, therefore, will reflect a potential additional cost of (Less than \$100,000) per year to the General Revenue Fund.

ASSUMPTION (continued)

Oversight notes that the **Department of Corrections, Department of Public Safety - Missouri State Highway Patrol, Missouri Office of Prosecution Services, Office of State Courts Administrator, Joplin Police Department, Springfield Police Department, St. Louis County Department of Justice Services and Boone County Sheriff's Department** have stated the proposal would not have a direct fiscal impact on their organizations. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other police and sheriffs' departments were requested to respond to this proposed legislation but did not.
