Officials at the **City of St. Louis** assume no fiscal impact from this proposal. The City's Department of Human Services does not incur any administrative costs related to the Senior Citizens' Services Fund.

Oversight notes per the St. Louis City Mayor's Office, the City of St. Louis Senior Citizens' Services Fund was established with the passage of Proposition S in November 2016 and was expected to generate about \$2 million annually from a voter-approved property tax. The Fund will support needed services that allow older adults basic assistance to be able to age in place in their own homes, including nutrition, transportation, home repair and home modifications. The City of St. Louis joins 54 other counties in the State of Missouri that have implemented a Senior Services Fund. The funds will be generated by a property tax of 5 cents on every \$100 assessed value.

Oversight notes the following table that shows the Total Assessed Valuation and how much revenue would have been assessed in property taxes to go to this fund from calendar years 2017 and 2018.

		Tax Rate per \$100 Assessed Value	Property Tax of <u>5 cents</u>
2018 Total Assessed Valuation	\$ 4,581,679,048	\$ 45,816,790	\$ 2,290,840
2017 Total Assessed Valuation	\$ 4,582,785,735	\$ 45,827,857	\$ 2,291,393
