FISCAL ANALYSIS

ASSUMPTION

Section 374.286

Officials from the **Department of Health and Senior Services (DHSS)** assume this proposed legislation requires first priority processing of all professional licensure applications for spouses of members of the active duty component of the Armed Forces. It is assumed it will take a Health and Senior Services Manager (\$74,290 based on an average of the manager salaries in the division) approximately 40 hours to promulgate state rules to implement the provisions of this legislation. Based on 2,080 working hours per year, this would require 0.02 FTE to assume these duties ($40 \text{ hours} \div 2,080 \text{ hours per year} = 0.02$) for a total one-time personal service cost of \$1,486 ($\$74,290 \times 0.02$) for FY20.

The department anticipates being able to absorb these costs. However, until the FY20 budget is final, the department cannot identify specific funding sources.

Oversight notes that the DHSS has stated the cost related to this proposal could be absorbed. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Officials from the **Department of Insurance, Financial Institutions and Professional Registration**, the **Department of Health and Senior Services**, the **Department of Natural Resources**, the **Department of Agriculture**, the **Department of Public Safety - Missouri Highway Patrol** and the **Department of Transportation** each assume the proposal will have no fiscal impact on their respective organizations.

Oversight notes that the above mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
