FISCAL ANALYSIS

ASSUMPTION

Officials at the **Office of Administration Division of Budget and Planning (B&P)** assume this proposal may reduce Total State Revenue and the may impact the calculation under Article X, Section 18(e).

Section 68.040.5 would exempt sales and leases of property by a port authority from all local and state sales or property taxes. B&P notes that sales from a port authority to a private entity are currently subject to sales tax. Therefore, B&P estimates that this proposal would exempt sales, such as those of vehicles, from taxation.

This may reduce revenues for the State Road Fund, State Road Bond Fund, State Transportation Fund, School District Trust Fund, Conservation Commission, as well as Parks, Soil, and Water (DNR). This proposal would also reduce local sales tax collections and funds deposited into the Fuel Local Deposit (FLOYD) Fund.

B&P further notes that this proposal would only exempt the sales or lease of such property and not future property tax collections if such a sale were to a private entity. Therefore, B&P estimates that this proposal will not impact the Blind Pension Trust Fund or local property tax collections.

Officials at the **State Tax Commission** assume this would result in a nominal fiscal impact as port authorities have a tax exemption currently in law, and this proposal extends that exemption to leases.

Officials at the **Department of Revenue, Department of Social Services** and the **Missouri Department of Transportation** each assume there is no fiscal impact from this proposal.

Oversight notes there are 15 port authorities in the State. They are:

Howard-Cooper County Regional Port Authority
Jefferson County Port Authority
Kansas City Port Authority
Lewis County-Canton Port Authority
Marion County Port Authority
Mid-America Port Authority
Mississippi County Port Authority
New Bourbon Regional Port Authority
New Madrid County Port Authority

ASSUMPTION (continued)

Pemiscot County Port Authority
 Pike - Lincoln County Port Authority
 Southeast Missouri Regional Port Authority
 St. Joseph Regional Port Authority
 St. Louis City Port Authority
 St. Louis County Port Authority

Oversight notes that Port Authorities are exempt from state and local assessment taxes. This proposal would extend that tax exemption to all sales and leases of real and personal property by the Port Authority. Oversight will show the impact as \$0 to Unknown to General Revenue, the Other State Sales Tax Funds (Conservation, School, and Park & Soil) and to Local Political Subdivisions fiscal impact in the fiscal note.

FISCAL DESCRIPTION

Currently, notes and bonds issued by port authorities are tax exempt. This bill also exempts sales and leases of real or personal property made by or to any port authority involving the use of such tax exempt bonds from taxation.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
