EXPLANATION — Matter enclosed in bold-faced brackets [thus] in the above bill is not enacted and is intended to be omitted from the law. Matter in **bold-face** type in the above bill is proposed language.

12           3. Notwithstanding any other provision of law, beginning January 1, 2020, no  
13 person shall be disqualified from pursuing, practicing, or engaging in any occupation for  
14 which a license is required solely or in part because of a prior conviction of a crime, unless  
15 the criminal conviction directly relates to the duties and responsibilities for the licensed  
16 occupation.

17           4. (1) Before January 1, 2020, each state licensing authority shall revise its existing  
18 licensing requirements to list the categories or specific criminal convictions that could  
19 disqualify an applicant from receiving a license. Licensing authorities shall not use vague  
20 or generic terms including, but not limited to, "moral turpitude" and "good character",  
21 or consider arrests without a subsequent conviction. Licensing authorities shall only list  
22 criminal convictions that are specific and directly related to the duties and responsibilities  
23 for the licensed occupation.

24           (2) The licensing authority shall use the clear and convincing standard of proof in  
25 examining the factors to determine whether an applicant with a criminal conviction listed  
26 under subdivision (1) of this subsection will be denied a license. The licensing authority  
27 shall make its determination based on the following factors:

28           (a) The nature and seriousness of the crime for which the individual was convicted;

29           (b) The passage of time since the commission of the crime, including consideration  
30 of the factors listed under subdivision (3) of this subsection;

31           (c) The relationship of the crime to the ability, capacity, and fitness required to  
32 perform the duties and discharge the responsibilities of the occupation; and

33           (d) Any evidence of rehabilitation or treatment undertaken by the individual that  
34 might mitigate against a direct relation.

35           (3) If an individual has a valid criminal conviction for a crime that could disqualify  
36 the individual from receiving a license, the disqualification shall not last longer than five  
37 years from the date of conviction, provided that the conviction is not for a crime that is  
38 violent or sexual in nature or is not specifically or directly related to the duties and  
39 responsibilities for the licensed occupation and the individual has not been convicted of any  
40 other crime during the five-year disqualification period. If an individual was incarcerated  
41 at any time during the previous five years for a crime that could disqualify the individual  
42 from receiving a license, the disqualification may last longer than five years but shall not  
43 last longer than five years from the date the individual was released from incarceration,  
44 provided that the incarceration was not for a crime that was violent or sexual in nature or  
45 was not specifically or directly related to the duties and responsibilities for the licensed  
46 occupation.

47           **5. An individual with a criminal record may petition a licensing authority at any**  
48 **time for a determination of whether the individual's criminal record will disqualify the**  
49 **individual from obtaining a license. This petition shall include details on the individual's**  
50 **criminal record. The licensing authority shall inform the individual of his or her standing**  
51 **within thirty days after the licensing authority has met, but in no event more than four**  
52 **months after receiving the petition from the applicant. The decision shall be binding,**  
53 **unless the individual has subsequent criminal convictions or failed to disclose information**  
54 **in his or her petition. The licensing authority may charge a fee to recoup its costs not to**  
55 **exceed twenty-five dollars for each petition.**

56           **6. (1) If a licensing authority denies an individual a license solely or in part because**  
57 **of the individual's prior conviction of a crime, the licensing authority shall notify the**  
58 **individual in writing of the following:**

- 59           **(a) The grounds and reasons for the denial or disqualification;**  
60           **(b) That the individual has the right to a hearing as provided by chapter 621 to**  
61 **challenge the licensing authority's decision;**  
62           **(c) The earliest date the person may reapply for a license; and**  
63           **(d) That evidence of rehabilitation may be considered upon reapplication.**

64           **(2) Any written determination by the licensing authority that an applicant's**  
65 **criminal conviction is a specifically listed disqualifying conviction and is directly related**  
66 **to the duties and responsibilities for the licensed occupation shall be documented with**  
67 **written findings for each of the grounds or reasons under paragraph (a) of subdivision (1)**  
68 **of this subsection by clear and convincing evidence sufficient for a reviewing court.**

69           **(3) In any administrative hearing or civil litigation authorized under this**  
70 **subsection, the licensing authority shall carry the burden of proof on the question of**  
71 **whether the applicant's criminal conviction directly relates to the occupation for which the**  
72 **license is sought.**

73           **7. The provisions of this section shall apply to any profession for which an**  
74 **occupational license is issued in this state, including any new occupational license created**  
75 **by a state licensing authority after August 28, 2019.**

76           **8. The provisions of this section shall not apply to peace officers or other law**  
77 **enforcement personnel licensed under the provisions of chapter 590.**

78           **9. Any department with oversight over a licensing authority may promulgate all**  
79 **necessary rules and regulations for the implementation of this section. Any rule or portion**  
80 **of a rule, as that term is defined in section 536.010, that is created under the authority**  
81 **delegated in this section shall become effective only if it complies with and is subject to all**  
82 **of the provisions of chapter 536 and, if applicable, section 536.028. This section and**
