

JOURNAL OF THE HOUSE

First Regular Session, 100th GENERAL ASSEMBLY

SIXTIETH DAY, TUESDAY, APRIL 30, 2019

The House met pursuant to adjournment.

Speaker Haahr in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

God is love; and he that dwells in love dwells in God, and God in him. (1 John 4:16)

Not unto us, O Lord, but to Your name give glory for Your mercy. Come to us now, that we may bless Your name and fulfill Your laws. Strengthen us to do Your will. This day may we put some sunlight into the lives of others. Guide us in the way of right service.

May we not live by bread alone but by the inspiration of the noble pursuits of life. We thank You for our privileges; may we use them for the honor and glory of Your name and for the good of our fellow brothers and sisters. Refresh us, ennoble us, and purify us, that we may measure up to the highest ideals of humanity and then live them!

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Cameron Higgins.

The Journal of the fifty-ninth day was approved as printed.

THIRD READING OF SENATE BILLS - INFORMAL

HCS SB 133, relating to agriculture, was taken up by Representative Shaul (113).

On motion of Representative Shaul (113), the title of **HCS SB 133** was agreed to.

Representative Dogan offered **House Amendment No. 1**.

House Amendment No. 1

AMEND House Committee Substitute for Senate Bill No. 133, Page 10, Section 261.140, Line 6, by inserting after all of said section and line the following:

"261.305. As used in sections 261.305 to 261.317, the following terms mean:

(1) "Department", the department of agriculture;

(2) "Farming", using or cultivating land for the production of agricultural crops, livestock or livestock products, forest products, poultry or poultry products, milk or dairy products, or fruit or other horticultural products;

(3) "Medical marijuana", all parts of the plant of the genus *Cannabis*, whether growing; the seeds thereof; the resin extracted from any part of the plant; and every compound, manufacture, salt, derivative, mixture, or preparation of the plant, its seeds, or its resin, including marijuana concentrate for medical use as defined in Article XIV of the Missouri Constitution. "Medical marijuana" shall not include industrial hemp, nor shall it include fiber produced from the stalks, oil, or cake made from the seeds of the plant; sterilized seed of the plant that is incapable of germination; or the weight of any other ingredient combined with marijuana to prepare topical or oral administrations, food, drink, or other product.

261.308. Notwithstanding any other provision of law, if authorized by the county under section 261.311 and a license is obtained under section 261.317, it shall not be unlawful and shall not be an offense under Missouri law or be a basis for forfeiture of assets under Missouri law for a person to grow, cultivate, or harvest medical marijuana on land used for farming.

261.311. Any county in this state may, after voter approval under this section, allow for the growing, cultivating, or harvesting of medical marijuana, as provided for under sections 261.305 to 261.317. The question shall be submitted to the qualified voters of the county at a general, primary, or special election upon the motion of the governing body of the county or upon the petition of eight percent of the qualified voters of the county determined on the basis of the number of votes cast for governor in such county at the last gubernatorial election held prior to the filing of the petition. The elected officials of the county shall give legal notice as provided in chapter 115. If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of allowing the growing, cultivating, or harvesting of medical marijuana, then such acts shall not be unlawful, as authorized in sections 261.305 to 261.317. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the growing, cultivating, or harvesting of medical marijuana or if the county fails to submit the issue to the qualified voters, such acts shall be unlawful and constitute an offense within that county.

261.314. 1. Before July 1, 2021, the department shall adopt rules and regulations necessary for implementation of sections 261.305 to 261.317. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void.

2. Such rules and regulations shall include:

- (1) Procedures for the issuance, renewal, suspension, and revocation of a license to grow, cultivate, or harvest medical marijuana, with such procedures subject to all requirements of chapter 536;
- (2) A schedule of application, licensing, and renewal fees, provided that the application fees shall not exceed five thousand dollars, adjusted annually for inflation, unless the department determines a greater fee is necessary to carry out its responsibilities under sections 261.305 to 311.317;
- (3) Qualifications for licensure that are directly and demonstrably related to the growing, cultivating, or harvesting of medical marijuana;
- (4) Security requirements for farms growing, cultivating, or harvesting medical marijuana;
- (5) Health and safety regulations and standards for the cultivation of medical marijuana as developed by the department of health and senior services; and
- (6) Civil penalties for the failure to comply with regulations established under this section.

261.317. Each application for an annual license to grow, cultivate, or harvest medical marijuana shall be submitted to the department. The department shall:

- (1) **Begin accepting and processing applications on October 1, 2021;**
 - (2) **Immediately forward a copy of each application and half of the license application fee to the county in which the applicant desires to grow, cultivate, or harvest medical marijuana;**
 - (3) **Issue an annual license to the applicant between forty-five and ninety days after receipt of an application unless the department finds the applicant is not in compliance with rules and regulations enacted under section 261.314; provided that, if a county has enacted a numerical limit on the number of farms able to grow, cultivate, or harvest medical marijuana and a greater number of applicants seek licenses, the department shall solicit and consider input from the county as to the county's preference or preferences for licensure; and**
 - (4) **Upon denial of an application, notify the applicant in writing of the specific reason for denial.**;
- and

Further amend said bill, Page 22, Section 281.265, Line 14, by inserting after all of said section and line the following:

"579.055. 1. A person commits the offense of manufacture of a controlled substance if, except as authorized in this chapter or chapter 195, he or she:

- (1) Knowingly manufactures, produces, or grows a controlled substance;
- (2) Attempts to manufacture, produce, or grow a controlled substance; or
- (3) Knowingly possesses a controlled substance with the intent to manufacture, produce, or grow any amount of controlled substance.

2. The offense of manufacturing or attempting to manufacture any amount of controlled substance, **except medical marijuana as provided under sections 261.305 to 261.317**, is a class B felony when committed within two thousand feet of the real property comprising a public or private elementary, vocational, or secondary school, community college, college, or university. It is a class A felony if a person has suffered serious physical injury or has died as a result of a fire or explosion started in an attempt by the defendant to produce methamphetamine.

3. The offense of manufacturing or attempting to manufacture any amount of a controlled substance, **except medical marijuana as provided under sections 261.305 to 261.317 or thirty-five grams or less of [marijuana or] synthetic cannabinoid**, is a class C felony.

4. The offense of manufacturing thirty-five grams or less of ~~[marijuana or]~~ synthetic cannabinoid is a class E felony."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

House Amendment No. 1 was withdrawn.

Representative Moon requested a division of the question on **HCS SB 133**.

Representative Dogan raised a point of order that the division of the question was in violation of Rule 79.

The Chair ruled the point of order not well taken.

The Chair ruled that the division of the question was not clearly divided into separate and distinct propositions.

Representative Vescovo moved the previous question.

12. The peer review processes shall be operated and the documents generated thereby be maintained in a manner designed to preserve their confidentiality. No third party, other than the oversight body, the board, subject to the provisions of subsection 11 of this section, or the organization performing peer review shall have access to documents furnished or generated in the course of the review. House Amendment No. 4

AMEND House Committee Substitute for House Bill No. 427, Page 1, Section A, Line 3, by inserting after said section and line the following:

"84.344. 1. Notwithstanding any provisions of this chapter to the contrary, any city not within a county may establish a municipal police force on or after July 1, 2013, according to the procedures and requirements of this section. The purpose of these procedures and requirements is to provide for an orderly and appropriate transition in the governance of the police force and provide for an equitable employment transition for commissioned and civilian personnel.

2. Upon the establishment of a municipal police force by a city under sections 84.343 to 84.346, the board of police commissioners shall convey, assign, and otherwise transfer to the city title and ownership of all indebtedness and assets, including, but not limited to, all funds and real and personal property held in the name of or controlled by the board of police commissioners created under sections 84.010 to 84.340. The board of police commissioners shall execute all documents reasonably required to accomplish such transfer of ownership and obligations.

3. If the city establishes a municipal police force and completes the transfer described in subsection 2 of this section, the city shall provide the necessary funds for the maintenance of the municipal police force.

4. Before a city not within a county may establish a municipal police force under this section, the city shall adopt an ordinance accepting responsibility, ownership, and liability as successor-in-interest for contractual obligations, indebtedness, and other lawful obligations of the board of police commissioners subject to the provisions of subsection 2 of section 84.345.

5. A city not within a county that establishes a municipal police force shall initially employ, without a reduction in rank, salary, or benefits, all commissioned and civilian personnel of the board of police commissioners created under sections 84.010 to 84.340 that were employed by the board immediately prior to the date the municipal police force was established. Such commissioned personnel who previously were employed by the board may only be involuntarily terminated by the city not within a county for cause. The city shall also recognize all accrued years of service that such commissioned and civilian personnel had with the board of police commissioners. Such personnel shall be entitled to the same holidays, vacation, and sick leave they were entitled to as employees of the board of police commissioners.

6. Commissioned and civilian personnel [~~who were previously~~] employed by [~~the board~~] **a city not within a county** shall [~~continue to~~] be subject, throughout their employment for the city not within a county, to a residency rule no more restrictive than a requirement of retaining a primary residence in a city not within a county for a total of [~~seven~~] **five** years and of then allowing them to maintain a primary residence outside the city not within a county so long as the residence is located within a one-hour response time.

7. The commissioned and civilian personnel who retire from service with the board of police commissioners before the establishment of a municipal police force under subsection 1 of this section shall continue to be entitled to the same pension benefits provided under chapter 86 and the same benefits set forth in subsection 5 of this section.

8. If the city not within a county elects to establish a municipal police force under this section, the city shall establish a separate division for the operation of its municipal police force. The civil service commission of the city may adopt rules and regulations appropriate for the unique operation of a police department. Such rules and regulations shall reserve exclusive authority over the disciplinary process and procedures affecting commissioned officers to the civil service commission; however, until such time as the city adopts such rules and regulations, the commissioned personnel shall continue to be governed by the board of police commissioner's rules and regulations in effect immediately prior to the establishment of the municipal police force, with the police chief acting in place of the board of police commissioners for purposes of applying the rules and regulations. Unless otherwise provided for, existing civil service commission rules and regulations governing the appeal of disciplinary decisions to the civil service commission shall apply to all commissioned and civilian personnel. The civil service commission's rules and regulations shall provide that records prepared for disciplinary purposes shall be confidential, closed records available solely to the civil service commission and those who possess authority to conduct investigations regarding disciplinary matters pursuant to the civil service commission's rules and regulations. A hearing officer shall be appointed by the civil service commission to hear any such appeals that involve discipline resulting in a suspension of greater than fifteen days, demotion, or termination, but the civil service commission shall make the final findings of fact, conclusions of law, and decision which shall be subject to any right of appeal under chapter 536.

9. A city not within a county that establishes and maintains a municipal police force under this section:

(1) Shall provide or contract for life insurance coverage and for insurance benefits providing health, medical, and disability coverage for commissioned and civilian personnel of the municipal police force to the same extent as was provided by the board of police commissioners under section 84.160;

(2) Shall provide or contract for medical and life insurance coverage for any commissioned or civilian personnel who retired from service with the board of police commissioners or who were employed by the board of

police commissioners and retire from the municipal police force of a city not within a county to the same extent such medical and life insurance coverage was provided by the board of police commissioners under section 84.160;

(3) Shall make available medical and life insurance coverage for purchase to the spouses or dependents of commissioned and civilian personnel who retire from service with the board of police commissioners or the municipal police force and deceased commissioned and civilian personnel who receive pension benefits under sections 86.200 to 86.366 at the rate that such dependent's or spouse's coverage would cost under the appropriate plan if the deceased were living; and

(4) May pay an additional shift differential compensation to commissioned and civilian personnel for evening and night tours of duty in an amount not to exceed ten percent of the officer's base hourly rate.

10. A city not within a county that establishes a municipal police force under sections 84.343 to 84.346 shall establish a transition committee of five members for the purpose of: coordinating and implementing the transition of authority, operations, assets, and obligations from the board of police commissioners to the city; winding down the affairs of the board; making nonbinding recommendations for the transition of the police force from the board to the city; and other related duties, if any, established by executive order of the city's mayor. Once the ordinance referenced in this section is enacted, the city shall provide written notice to the board of police commissioners and the governor of the state of Missouri. Within thirty days of such notice, the mayor shall appoint three members to the committee, two of whom shall be members of a statewide law enforcement association that represents at least five thousand law enforcement officers. The remaining members of the committee shall include the police chief of the municipal police force and a person who currently or previously served as a commissioner on the board of police commissioners, who shall be appointed to the committee by the mayor of such city."; and

"commissioners, who shall be appointed to the committee by the mayor of such city.

135.580. 1. This section shall be known and may be cited as the "Community Police Tax Credit".

2. As used in this section, the following terms mean:

- (1) "Community policing zone", an area that is designated as such by a city, town, or village and where law enforcement takes a proactive approach to address public safety concerns;
- (2) "Eligible taxpayer", an individual who is employed as a law enforcement officer;
- (3) "High-crime area", an area, as determined by the department of public safety, that has a crime rate in the top twenty-five percent of all areas listed in the report required under subsection 4 of this section;
- (4) "Present address", the address stated on an eligible taxpayer's income tax return;
- (5) "Tax credit", a credit against the tax otherwise due under chapter 143, excluding withholding tax imposed under sections 143.191 to 143.265.

3. For all tax years beginning on or after January 1, 2020, an eligible taxpayer who lives in both a high-crime area and a community policing zone shall be allowed to claim a tax credit against the taxpayer's state tax liability in an amount equal to three thousand dollars.

4. The department of public safety shall issue a report to the department of revenue that determines the crime rate of areas in this state. The report shall rank areas from the highest to lowest crime rate. Crime rates shall be calculated by adding the total property and violent crimes reported in an area and dividing such sum by the population of the area. The department of public safety shall have discretion in determining the geographic boundaries of the areas, but in so determining shall consider the availability of crime data and the difficulty of correlating street addresses to the area. Areas shall not be as large as counties.

5. For eligible taxpayers who apply for the tax credit, the department of revenue shall verify whether the taxpayer's present address is located in a high-crime area and, if so, apply the tax credit to the taxpayer's tax return.

6. Tax credits issued under the provisions of this section shall be refundable but shall not be sold, transferred, or assigned.

7. The department of revenue and department of public safety may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall be invalid and void.

8. Under section 23.253 of the Missouri sunset act:

(1) The provisions of the new program authorized under this section shall automatically sunset December thirty-first six years after the effective date of this section unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset December thirty-first twelve years after the effective date of the reauthorization of this section; and
