

HB 34 -- MISSOURI EMPOWERMENT SCHOLARSHIP ACCOUNTS PROGRAM

SPONSOR: Stacy

This bill creates the "Missouri Empowerment Scholarship Accounts Program" and specifies that any taxpayer may claim a tax credit, not to exceed 50% of the taxpayer's state tax liability, for any qualifying contribution to an educational assistance organization for all tax years beginning on or after January 1, 2020. The cumulative amount of tax credits issued in any one calendar year shall not exceed \$50 million. Each educational assistance organization shall meet certain requirements and provide specified information during an annual audit.

The State Treasurer shall provide a standardized format for a receipt to be issued by the educational assistance organization to indicate the value of a contribution received as well as a standardized format for educational assistance organizations to report the information. The State Treasurer or State Auditor may conduct an investigation if he or she possesses evidence of fraud committed by the educational assistance organization. The educational assistance organization may be barred from participating in the program if it is found to have intentionally and substantially failed to comply with certain requirements. In addition, the State Treasurer shall issue a report on the Missouri Empowerment Scholarship Accounts program five years after its effective date.

The bill also creates the "Missouri Empowerment Scholarship Accounts Fund" which shall consist of no more than 2% of qualified contributions to be used for the administration of the program.

A qualified student may receive a grant to be deposited in the student's Missouri Empowerment Scholarship Account if he or she is an elementary or secondary student, a resident of Missouri, and has attended a public school as specified in the bill, is entering Kindergarten or first grade, or is attending school for the first time. Missouri empowerment scholarship accounts are renewable on an annual basis. Moneys deposited into the account shall be used for specified services and fees. If a qualified student withdraws from the program, is disqualified from the program, or graduates, the student's account shall be closed and remaining funds shall be returned to the educational assistance organization for redistribution to other qualified students.

Any person who is found to have knowingly used money granted under the provisions of this bill other than the purposes provided for shall be guilty of a class A misdemeanor.

This bill is similar to HB 1639 (2018) and SB 612 (2018).
