

HB 112 -- PROVISIONS FOR GIFTED EDUCATION (Sommer)

COMMITTEE OF ORIGIN: Special Committee on Student Accountability

This bill requires school districts to establish a state-approved gifted program if 3% or more of the students are determined to be gifted. Districts with average daily attendance of 350 or fewer students are not required to have a teacher certificated to teach gifted education, but any teacher providing gifted instruction without a gifted-teaching certificate must participate in six hours per year of professional development regarding gifted services.

This bill is similar to HCS HB 1435 (2018) and HB 1030 (2017).
