

HB 134 -- EDUCATION & JOB TRAINING TELEVISION BROADCASTING DISTRICT
ACT

SPONSOR: Carter

This bill creates the "Education and Job Training Television Broadcasting District," which will be governed by a commission as set out in the bill. The commission has the management and control of the board, but will be subject to an annual audit.

This bill authorizes certain cities and counties to levy, upon voter approval, a property tax of \$.08 per \$100 assessed valuation to be put into the newly established "Education and Job Training Television Broadcast Fund," for the purposes of establishing various programs, including adult education, early childhood education, elementary and secondary education, job training, and other programming related to preparing citizens to further their education.

This bill is the same as HB 2714 (2018).
