

HB 158 -- PERMANENT REGISTRATION OF CERTAIN MOTOR VEHICLES

SPONSOR: Ellington

Beginning January 1, 2020, this bill allows permanent registration and license plates to be issued for motor vehicles, other than apportioned or commercial motor vehicles in excess of 24,000 pounds, in exchange for a fee of \$250. Permanent license plates shall be returned to the Department of Revenue upon sale or disposal of a motor vehicle, or they may be transferred to a replacement motor vehicle upon the filing of a supplemental application with the department.

This bill is similar to HB 2707 (2018).
