

HCS HB 185 -- HAILEY'S LAW (Trent)

COMMITTEE OF ORIGIN: Standing Committee on Crime Prevention and Public Safety

Currently, there are no meeting requirements for the Amber Alert System Oversight Committee. This bill requires the committee to meet at least annually to discuss potential improvements to the Amber Alert System.

Amber Alerts issued in Missouri must include an embedded URL, which references a resource online that provides additional information or technological capabilities.

The bill establishes "Hailey's Law," which requires the Amber Alert System to be integrated into the Missouri Uniform Law Enforcement System (MULES) to expedite the reporting of child abductions.
