

HB 192 -- PAYMENT OF FINES

SPONSOR: DeGroot

Currently, associate circuit judges have the ability to commute fines and costs against defendants who are unable to pay when the defendant requests to be imprisoned in the county jail. The fine shall be credited at the rate of \$10 for each day's imprisonment. This bill repeals that language.

The bill also repeals language that allows the court, upon a motion by the prosecuting attorney or by its own motion, to require a defendant to show cause as to why he or she should not be imprisoned for failure to pay and allows the court to imprison such defendant, if no good cause is shown, for various lengths depending on whether the offense was a misdemeanor or a felony.

Instead, when a defendant fails to pay a fine or an installment, the fine or installment may be collected by any means authorized for the enforcement of money judgments.
