

HCS HB 192 -- PAYMENT OF FINES (DeGroot)

COMMITTEE OF ORIGIN: Special Committee on Criminal Justice

Currently, associate circuit judges have the ability to commute fines and costs against defendants who are unable to pay when the defendant requests to be imprisoned in the county jail. The fine shall be credited at the rate of \$10 for each day's imprisonment. This bill repeals that language.

The bill repeals language that allows the court, upon a motion by the prosecuting attorney or by its own motion, to require a defendant to show cause as to why he or she should not be imprisoned for failure to pay and allows the court to imprison such defendant, if no good cause is shown, for various lengths depending on whether the offense was a misdemeanor or a felony.

Instead, when a defendant fails to pay a fine or an installment, the fine or installment may be collected by any means authorized for the collection of money judgments, or it may be waived at the discretion of the judge. In no event can the recovery of costs incurred by a municipality or county for the detention, imprisonment, or holding of a person be the subject of any condition of probation, and the failure to pay costs cannot be the only basis for the issuance of a warrant.
