

HB 244 -- NURSING FACILITY INSPECTIONS

SPONSOR: Neely

This bill establishes a pilot program transferring the authority to inspect nursing facilities from the Department of Health and Senior Services to local health departments. Local health departments will have the option of participating in the pilot program.

The provisions of this bill expires six years after the effective date unless reauthorized by the General Assembly.

This bill is the same as HB 1555 (2018) and HB 322 (2017).
