

HB 307 -- CULTURAL COMPETENCY TRAINING

SPONSOR: Walker

This bill allows physicians, health care practitioners, or mental health practitioners to annually complete up to two hours of cultural competency training as part of the continuing education requirements for licensure as a health care professional.

Psychologists, behavior analysts, professional counselors, social workers, baccalaureate social workers, and marital and family therapists are required to complete two hours of cultural competency training as a condition of initial licensure and as a condition of license renewal. The training shall count toward any continuing education hours required for such license.

This bill is similar to HB 2379 (2018).
