

HB 533 -- ELECTRONIC LOGGING DEVICES FOR MOTOR VEHICLES

SPONSOR: Moon

This bill prohibits the state and its agencies or political subdivisions or any employees of these entities from enforcing, or keeping records to show compliance with, the federal electronic logging device mandates under 32301(b) of the Commercial Motor Vehicle Safety Enhancement Act of 2012. Individuals and businesses are free to cooperate with federal requests involving electronic logging devices.

This bill is the same as HB 2437 (2018).
