

HB 705 -- PROFESSIONAL REGISTRATION (Helms)

COMMITTEE OF ORIGIN: Standing Committee on Professional
Registration and Licensing

COLLABORATIVE PRACTICE ARRANGEMENTS

This bill standardizes language regarding physician assistant supervision agreements to be consistent with advanced practice registered nurse collaborative practice arrangements.

This bill is the same as HB 840 (2019).

PROHIBITED USES OF OCCUPATIONAL FEES

This bill prohibits any licensure board, commission, or committee within the Division of Professional Registration from using any occupational fees for the purpose of offering continuing education classes.

CONTINUING EDUCATION HOURS

This bill requires psychologists to take three hours of professional ethics continuing education classes every two years. The hours can count toward the existing total 40 hours of continuing education required for psychologists.
