

HB 731 -- AUTOMATIC VOTER REGISTRATION

SPONSOR: Bland Manlove

This bill requires the Secretary of State to enable a system for automatic voter registration that will make use of driver's license information from the Department of Revenue to register voters. Those eligible for registration will receive notice and a chance to decline registration. Local election authorities will retain the ability to screen voters for eligibility, to conduct notice for registration, and to remove ineligible voters from registration lists.

Those eligible to vote upon release from incarceration, probation, and parole are included in the automatic voter registration process and the Board of Probation and Parole is required to provide the requisite information to the Missouri Secretary of State's office.

This bill is similar to HB 1584 (2018).
