

HB 792 -- COMMERCIAL DRIVER'S LICENSES

SPONSOR: Griesheimer

This bill modifies the storage and record requirements for test score documents issued by commercial testers and documents submitted by military service members by adding them to existing exemptions. Currently, a commercial driver's instruction permit is valid for six months and may be renewed once for an additional six months. The bill changes the permit to a one-year nonrenewable instruction permit and increases the fee from \$5 to \$10. The fee for a duplicate permit is \$5. This bill requires an applicant for a commercial driver's license to take an entry-level driver training program that is currently established by regulation. The bill also allows the Director of the Department of Revenue to waive specified written test requirements for current or former military service members.
