

HB 804 -- MO HEALTHNET PAYMENTS

SPONSOR: Neely

This bill requires an entity that manages MO HealthNet on behalf of the state to make a payment of a claim within 120 days of the day the claim was filed. If the claim is not paid within 120 days, the entity's contract with the state shall be terminated. If a contract is terminated under this provision, the entity cannot enter into another contract with the state to manage MO HealthNet for three years.
