

HB 816 -- EMBALMING APPRENTICESHIPS (Black (137))

COMMITTEE OF ORIGIN: Standing Committee on Professional
Registration and Licensing

This bill allows an embalming apprentice to continue to be employed by the funeral establishment where the apprenticeship took place, for up to six months after the apprentice has completed the apprenticeship program but has not yet completed the examination or other requirements of licensure. An embalming apprentice must provide written notice to the board to extend his or her apprenticeship registration.
