

HB 926 -- DEALER LICENSE PLATES

SPONSOR: Shawan

COMMITTEE ACTION: Voted "Do Pass" by the Standing Committee on Transportation by a vote of 13 to 1. Voted "Do Pass" by the Standing Committee on Rules- Administrative Oversight by a vote of 8 to 0.

This bill allows use of specified motor vehicle dealer license plates on cars used by customers while their vehicles are being serviced or repaired by the motor vehicle dealer.

PROPONENTS: Supporters say that customers typically expect this service which is offered by most out of state dealerships. The bill will help Missouri businesses compete.

Testifying for the bill were Representative Shawan; Bobby Sight, Rob Sight Ford; and Missouri Automobile Dealers Association.

OPPONENTS: There was no opposition voiced to the committee.
