

HB 929 -- MISSOURI VOTER FRAUD PREVENTION ACT

SPONSOR: Sain

This bill creates the "Missouri Voter Fraud Prevention Act" and requires the Missouri Secretary of State's office to implement voter registration based on information provided by specified state agencies and institutions. An option to decline registration is available and shall be kept confidential. Errors in the voter registration system will not be class one election offenses unless they are the result of an individual knowingly providing false information.

This bill is similar to HB 624 (2019).
