

HCS HB 951 -- AGRICULTURAL FACILITIES (Haden)

COMMITTEE OF ORIGIN: Standing Committee on Agriculture Policy

This bill specifies that the Missouri departments of Agriculture and Natural Resources, the county sheriff for the county in which the facility is located, the United States Department of Agriculture, and any other federal or Missouri state agency with statutory or regulatory authority have exclusive authority to inspect the grounds or facilities in Missouri used for the production of eggs, milk or other dairy products, raising of livestock, or the production or raising of dogs or other animals not used to produce any food product. Unless requested by the owner of the facility, no other entity may inspect the grounds or facilities to enforce or carry out the laws or administrative rules of another state.
