

HB 997 -- PUBLIC SERVANT INVESTIGATIONS

SPONSOR: Ellebracht

This bill specifies that a prosecuting or circuit attorney or law enforcement agency that is conducting an investigation related to fraud or theft by a public servant or an offense of misconduct within the attorney's or law enforcement agency's jurisdiction may request the State Auditor or his or her designee to audit all or part of the jurisdiction in which the attorney represents or the law enforcement agency serves regarding the receipt and expenditure of public funds. The State Auditor must report any findings to the attorney or law enforcement agency that requested the audit.
