

HB 1011 -- ANTI-DISCRIMINATION AGAINST ISRAEL ACT

SPONSOR: Hicks

This bill creates the "Anti-Discrimination Against Israel Act" and prohibits public entity's from entering into contracts with companies that commence a boycott of Israel or its territories. Written certification will be required to ensure that a company will not engage in such activities during the duration of the contract. The bill does not apply to contracts of less than \$100,000 or to contractors with fewer than 10 employees.

This bill is the same as SB 308 (2019).
