

HCS HB 1099 -- HIGHER EDUCATION (Griesheimer)

COMMITTEE OF ORIGIN: Standing Committee on Higher Education

This bill defines "concession agreement," as any license or lease between a private developer and an institution of higher education regarding capital projects. The bill allows institutions of higher education to enter into long-term concession agreements as long as they follow the competitive bidding process for public private partnerships.

This bill also gives Southeast Missouri State University authority to develop a statewide mission in visual and performing arts, computer science, and cybersecurity without having to submit an application to the Coordinating Board for Higher Education.
