

HB 1101 -- TOWING OF COMMERCIAL VEHICLES

SPONSOR: Griffith

This bill creates the "Commercial Vehicle Towing Advisory Committee" with members, terms, and powers as specified in the bill. The committee shall meet by November 1, 2019, and consult with the State Highway Patrol and others to recommend rules regarding towing services and fair rates for towing commercial vehicles.

The Department of Transportation shall decide whether to adopt the recommendations and will make rules regarding towing by January 1, 2021.

This bill is the same as SB 323 (2019).
