

HB 1132 -- HEALTH ASSURANCE PROGRAMS

SPONSOR: Lavender

This bill extends the sunset provision of the Ticket to Work Health Assurance Program from August 28, 2019 to August 28, 2025.

Additionally, this bill expands the Ticket to Work Health Assurance Program to individuals that have a gross income of 500% of the federal poverty level from what is currently 250%, with premiums and exclusions as described in the bill.

The Ticket to Work Program is a program that provides health coverage or assistance paying for health insurance premiums for an employed person who meets the definition of disabled.

This bill is similar to HB 219 (2019).
