

HB 1137 -- MISCLASSIFICATION OF WORKERS

SPONSOR: Hill

This bill establishes the criteria of a worker to be considered as an independent contractor. It states that independent contractors shall have a written contract that states the person is an independent contractor, not an employee, and that the person is responsible for all costs, fees, and taxes as an independent contractor. In addition, the person must have the right to control the manner and means by which the work is accomplished, and satisfies at least three out of nine listed requirements of an independent contractor.

This bill is the same as SCS SB 313 (2019).
