

HB 1168 -- VERIFIED HOURS WORKED ON GOVERNMENT COMPUTERS

SPONSOR: Taylor

This bill requires any contract in excess of \$100,000 entered into with a state agency for professional or technical services to be performed using a computer to use a work verification software program to verify the hours billed for work done on a computer. The contract shall further specify that the state shall not be required to pay for hours worked on a computer unless those hours are verifiable by the software or by data collected by the software. The bill contains various exemptions.

This bill is the same as SB 463 (2019).
