

HCB 9 -- DISPOSAL OF DEAD ANIMALS

SPONSOR: Remole

This bill requires the Department of Transportation to remove and incinerate any dead wildlife or other animals found on a road or highway that is large enough to impede traffic. The department must maintain incinerators to dispose of the dead animals at road maintenance facilities throughout the state. The Department of Conservation must reimburse the Department of Transportation for costs associated with the purchase, installation, and operation of the incinerators and the costs of removing the dead wildlife and animals from the roads and highways.
