5 "334.002. 1. Notwithstanding any law to the contrary, any person licensed pursuant to this  
6 chapter may apply to the state board of registration for the healing arts for an inactive license status  
7 on a form furnished by the board. Upon receipt of the completed inactive status application form  
8 and the board's determination that the licensee meets the requirements established by rule, the board  
9 shall declare the licensee inactive and shall place the licensee on an inactive status list. A person  
10 whose license is inactive or who has discontinued his or her practice because of retirement shall not  
11 practice his or her profession within this state, but shall be allowed to practice his or her profession  
12 on himself or herself or on his or her immediate family, however, such person shall not be allowed  
13 to prescribe controlled substances. Such person may continue to use the title of his or her profession  
14 or the initials of his or her profession after such person's name.

15 2. During the period of inactive status, the licensee shall not be required to comply with the  
16 board's minimum requirements for continuing education.

17 3. If a licensee is granted inactive status, the licensee may return to active status by  
18 notifying the board in advance of his or her intention, paying the appropriate fees, and meeting all  
19 established requirements of the board as a condition of reinstatement; except any licensee who  
20 intends to return to active status solely for the duration of any state of emergency proclaimed by the  
21 governor or the legislature under section 44.100 shall have his or her license returned to active status  
22 without having to pay any fees or meet any other requirements of reinstatement.

23 4. Any licensee allowing his or her license to become inactive may within five years of the  
24 inactive status return his or her license to active status by notifying the board in advance of such  
25 intention, paying the appropriate fees, and meeting all established licensure requirements of the  
26 board, excluding the licensing examination, as a condition of reinstatement.

27 334.110. Any person licensed to practice as physician and surgeon in this state who retires  
28 from such practice shall file with the board an affidavit, on a form to be furnished by the board,  
29 which states the date on which he retired from such practice and such other facts as tend to verify  
30 the retirement as the board may deem necessary; but if he thereafter reengages in the practice, he  
31 shall renew his registration with the board as provided by section 334.090, unless he reengages in  
32 practice solely for the duration of any state of emergency proclaimed by the governor or the  
33 legislature under section 44.100.

34 334.408. 1. Notwithstanding any law to the contrary, any person licensed pursuant to  
35 sections 334.400 to 334.430 may apply to the board for an inactive license status on a form  
36 furnished by the board. Upon receipt of the completed inactive status application form and a

Action Taken \_\_\_\_\_ Date \_\_\_\_\_

1 determination by the board that the licensee meets the requirements defined by board rule, the board  
2 shall declare the licensee inactive and shall place the licensee on an inactive status list. A person  
3 that has an inactive license or has discontinued the practice of an anesthesiologist assistant because  
4 of retirement shall not practice as an anesthesiologist assistant within this state.

5 2. During the period of inactive status, the licensee shall not be required to comply with the  
6 board's minimum requirements for continuing education.

7 3. If a licensee is granted inactive status, the licensee may return to active status by  
8 notifying the board of the intention to resume the practice of an anesthesiologist assistant, paying  
9 the appropriate fees, and meeting all established licensure requirements of the board as a condition  
10 of reinstatement.

11 4. Any licensee that allows the license to become inactive for a period of five years or less  
12 may return the license to active status by notifying the board in advance of such intention, paying  
13 the appropriate fees, and meeting all established licensure requirements of the board, excluding the  
14 licensing examination, as a condition of reinstatement.

15 5. All inactive licenses shall automatically return to active status for the duration of any  
16 state of emergency proclaimed by the governor or the legislature under section 44.100.

17 334.410. Any person licensed to practice as an anesthesiologist assistant in this state who  
18 retires from such practice shall file with the board an affidavit, on a form to be furnished by the  
19 board, which states the date of retirement and such other facts to verify the retirement as defined by  
20 board rule. Registration with the board must be renewed pursuant to section 334.414 for any person  
21 that wants to resume the practice of an anesthesiologist assistant, unless such person is practicing  
22 solely for the duration of any state of emergency proclaimed by the governor or the legislature under  
23 section 44.100.

24 334.412. 1. Upon the applicant paying a fee equivalent to the required licensing fee and  
25 furnishing the board with all locations of previous practice and licensure in chronological order, the  
26 board may, subject to the prescribed rules and regulations, license, without examination or  
27 additional certification, any qualified applicant that meets the requirements of this state including  
28 any person that is licensed in any state or territory of the United States or the District of Columbia  
29 with the authority to practice in the same manner and to the same extent as an anesthesiologist  
30 assistant is authorized to practice pursuant to sections 334.400 to 334.430. Pursuant to sections  
31 334.400 to 334.430, the board shall have the authority to negotiate reciprocal compacts with  
32 licensing boards of other states for the admission of licensed anesthesiologist assistants from  
33 Missouri to practice in other states.

34 2. The board shall issue a license to any anesthesiologist assistant, who is licensed in  
35 another jurisdiction and who has had no violations, suspensions, or revocations of a license, to  
36 practice as an anesthesiologist assistant in any jurisdiction, provided that, such person is licensed in  
37 a jurisdiction whose requirements are substantially equal to, or greater than, the requirements for  
38 licensure of anesthesiologist assistants in Missouri at the time the applicant applies for licensure.

39 3. Any anesthesiologist assistant who meets the requirements of subsection 2 of this section  
40 shall be allowed to practice without meeting the requirements of subsection 1 of this section for the  
41 duration of any state of emergency proclaimed by the governor or the legislature under section  
42 44.100.

43 334.600. Any person licensed to practice as a physical therapist in this state who retires  
44 from the practice shall file with the board an affidavit, on a form furnished by the board, which  
45 states the date on which the person retired from the practice and such other facts as tend to verify the  
46 retirement as the board deems necessary~~[-and]~~. if the person thereafter reengages in the practice, the  
47 person shall register as provided by sections 334.500 to 334.620, unless the person reengages in  
48 practice solely for the duration of any state of emergency proclaimed by the governor or the  
49 legislature under section 44.100.

1           334.685. Any person licensed to practice as a physical therapist assistant in this state who  
2 retires from the practice shall file with the board an affidavit, on a form furnished by the board,  
3 which states the date on which the person retired from practice and such other information required  
4 by the board to verify such retirement. If a person reengages in practice as a physical therapy  
5 assistant after a person submits an affidavit of retirement required by this section, the person shall  
6 reapply for licensure as required by sections 334.650 to 334.685, unless the person reengages in  
7 practice solely for the duration of any state of emergency proclaimed by the governor or the  
8 legislature under section 44.100."; and
