House ______ Amendment NO. ____

1	AMEND House Committee Substitute for Senate Bill No. 544, Pages 49-54, Section 620.2250,
2	Lines 1-163, by deleting all of said section and inserting in lieu thereof the following:
3 4	"620.2250. 1. This section shall be known and may be cited as the "Targeted Industrial
5	Manufacturing Enhancement Zones Act".
6	2. As used in this section, the following terms shall mean:
7	(1) "County average wage", the average wage in each county as determined by the
8	department for the most recently completed full calendar year. However, if the computed county
9	average wage is above the statewide average wage, the statewide average wage shall be deemed the
10	county average wage for such county for the purpose of determining eligibility;
11	(2) "Department", the Missouri department of economic development;
12	(3) "New job", the number of full-time employees located at the project facility that exceeds
13	the project facility base employment less any decrease in the number of full-time employees at
14	related facilities below the related facility base employment. No job that was created prior to the
15	date of the completion of an agreement pursuant to subsection 6 of this section and no job that is
16	relocated from another location within this state shall be deemed a new job. An employee that
17	spends less than fifty percent of the employee's work time at the facility is still considered to be
18	located at a facility if the employee receives his or her directions and control from that facility, is on
19	the facility's payroll, one hundred percent of the employee's income from such employment is
20	Missouri income, and the employee is paid at or above the county average wage;
21	(4) "Political subdivision", a town, village, city, or county located in this state;
22	(5) "Related facility", a facility operated by a company or a related company prior to the
23	establishment of the TIME zone in question, and which is directly related to the operations of the
24	<u>facility within the new TIME zone;</u>
25	(6) "TIME zone", an area identified through an ordinance or resolution passed pursuant to
26 27	subsection 4 of this section that is being developed or redeveloped for any purpose so long as any infrastructure or building built or improved is in the development area;
28	(7) "Zone board", the governing body of a TIME zone.
28 29	3. The governing bodies of at least two contiguous or overlapping political subdivisions in
30	this state may establish one or more TIME zones, which shall be political subdivisions of the state,
31	for the purposes of completing infrastructure projects to promote the economic development of the
32	region. Such zones may only include the area within the governing bodies' jurisdiction, ownership,
33	or control, and may include any such area. The governing bodies shall determine the boundaries for
34	each TIME zone, and more than one TIME zone may exist within the governing bodies' jurisdiction
35	or under the governing bodies' ownership or control, and may be expanded or contracted by
36	resolution of the zone board.

Action Taken_____ Date _____

1	4. (1) To establish a TIME zone, the governing bodies of at least two political subdivisions
2	shall each propose an ordinance or resolution creating such zone. Such ordinance or resolution shall
3	set forth the names of the political subdivisions which will form the TIME zone, the general nature
4	of the proposed improvements, the estimated cost of such improvements, the boundaries of the
5	proposed TIME zone, and the estimated number of new jobs to be created in the TIME zone. Prior
6	to approving such ordinance or resolution, each governing body shall hold a public hearing to
7	consider the creation of the TIME zone and the proposed improvements therein. The governing
8	bodies shall hear and pass upon all objections to the TIME zone and the proposed improvements, if
9	any, and may amend the proposed improvements, and the plans and specifications therefor.
10	(2) After the passage or adoption of the ordinance or resolution creating the TIME Zone,
11	governance of the TIME zone shall be by the zone board, which shall consist of seven members
12	selected from the political subdivisions creating the TIME zone. Members of a zone board shall
13	receive no salary or other compensation for their services as members, but shall receive their
14	necessary traveling and other expenses incurred while actually engaged in the discharge of their
15	official duties. The zone board may expand or contract such TIME zone through an ordinance or
16	resolution following a public hearing conducted to consider such expansion or contraction.
17	5. The boundaries of the proposed TIME zone shall be described by metes and bounds,
18	streets, or other sufficiently specific description.
19	6. (1) Prior to retaining any state withholding tax pursuant to subsection 9 of this section, a
20	zone board shall enter into an agreement with the department. Such agreement shall include, but
21	shall not be limited to:
22	(a) The estimated number of new jobs to be created;
23	(b) The estimated average wage of new jobs to be created;
24	(c) The estimated net fiscal impact of the new jobs;
25	(d) The estimated costs of the proposed improvements;
26	(e) The estimated amount of withholding tax to be retained pursuant to subsection 9 of this
27	section over the period of the agreement; and
28	(f) A copy of the ordinance establishing the board and a list of its members.
29	(2) The department shall not approve an agreement with a zone board unless the zone board
30	commits to creating the following number of new jobs:
31	(a) For a TIME zone with a total population of less than five thousand inhabitants as
32	determined by the most recent decennial census, a minimum of five new jobs with an average wage
33	that equals or exceeds ninety percent of the county average wage;
34	(b) For a TIME zone with a total population of at least five thousand inhabitants but less
35	than fifty thousand inhabitants as determined by the most recent decennial census, a minimum of ten
36	new jobs with an average wage that equals or exceeds ninety percent of the county average wage;
37	(c) For a TIME zone with a total population of at least fifty thousand inhabitants but less
38	than one hundred fifty thousand inhabitants as determined by the most recent decennial census, a
39	minimum of fifteen new jobs with an average wage that equals or exceeds ninety percent of the
40	<u>county average wage; and</u>
41	(d) For a TIME zone with a total population of at least one hundred fifty thousand
42	inhabitants as determined by the most recent decennial census, a minimum of twenty-five new jobs
43	with an average wage that equals or exceeds ninety percent of the county average wage.
44	7. (1) The term of the agreement entered into pursuant to subsection 6 of this section shall
45	not exceed ten years. A zone board may apply to the department for approval to renew any
46	agreement. Such application shall be made on forms provided by the department. In determining
47	whether to approve the renewal of an agreement, the department shall consider:
48	(a) The number of new jobs created and the average wage and net fiscal impact of such jobs;
49	(b) The outstanding improvements to be made within the TIME zone and the funding

1	necessary to complete such improvements; and
2	(c) Any other factor the department requires.
3	(2) The department may approve the renewal of an agreement for a period not to exceed ten
4	years. If a zone board has not met the new job requirements pursuant to subdivision (2) of
5	subsection 6 of this section by the end of the agreement, the department shall recapture from such
6	zone board the amount of withholding tax retained by the zone board pursuant to this section and the
7	department shall not approve the renewal of an agreement with such zone board.
8	(3) A zone board shall not retain any withholding tax pursuant to this section in excess of
9	the costs of improvements completed by the zone board.
10	8. If a qualified company is retaining withholding tax pursuant to sections 620.2000 to
11	620.2020 for new jobs, as such terms are defined in section 620.2005, that also qualify for the
12	retention of withholding tax pursuant to this section, the department shall not authorize an
13	agreement pursuant to this section that results in more than fifty percent of the withholding tax for
14	such new jobs being retained pursuant to this section and sections 620.2000 to 620.2020.
15	9. Upon the completion of an agreement pursuant to subsection 6 of this section, twenty-five
16	percent of the state tax withholdings imposed by sections 143.191 to 143.265 on new jobs within a
17	TIME zone after development or redevelopment has commenced shall not be remitted to the general
18	revenue fund of the state of Missouri. Such moneys shall be deposited into the TIME zone fund
19	established pursuant to subsection 10 of this section for the purpose of continuing to expand,
20	develop, and redevelop TIME zones identified by the zone board, and may be used for managerial,
21	engineering, legal, research, promotion, planning, and any other expenses.
22	10. There is hereby created in the state treasury the "TIME Zone Fund", which shall consist
23	of money collected under this section. The state treasurer shall be custodian of the fund and may
24	approve disbursements from the fund in accordance with sections 30.170 and 30.180 to the zone
25	boards of the TIME zones from which the funds were collected, less the pro-rata portion
26	appropriated by the general assembly to be used solely for the administration of this section, which
27	shall not exceed ten percent of the total amount collected within the TIME zones of a zone board.
28	Notwithstanding the provisions of section 33.080 to the contrary, any moneys remaining in the fund
29	at the end of the biennium shall not revert to the credit of the general revenue fund. The state
30	treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any
31	interest and moneys earned on such investments shall be credited to the fund.
32	11. The zone board shall approve projects consistent with the provisions of this section that
33	begin construction and disburse any money collected under this section. The zone board shall
34	submit an annual budget for the funds to the department explaining how and when such money will
35	be spent.
36	12. A zone board shall submit an annual report by December thirty-first of each year to the
37	department and the general assembly. Such report shall include, but shall not be limited to:
38	(1) The locations of the established TIME zones governed by the zone board;
39	(2) The number of new jobs created within the TIME zones governed by the zone board;
40	(3) The average wage of the new jobs created within the TIME zones governed by the zone
41	board; and
42	(4) The amount of withholding tax retained pursuant to subsection 9 of this section from
43	new jobs created within the TIME zones governed by the zone board.
44	13. No political subdivision shall establish a TIME zone with boundaries that overlap the
45	boundaries of an advanced industrial manufacturing zone established pursuant to section 68.075.
46	14. The total amount of withholding taxes retained by all TIME zones pursuant to the
47	provisions of this section shall not exceed five million dollars per fiscal year.
48	15. The department may promulgate rules to implement the provisions of this section. Any
49	rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority

1	delegated in this section shall become effective only if it complies with and is subject to all of the
2	provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are
3	nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to
4	review, to delay the effective date, or to disapprove and annul a rule are subsequently held
5	unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after
6	August 28, 2020, shall be invalid and void.
7	16. Pursuant to section 23.253 of the Missouri sunset act:
8	(1) The provisions of the new program authorized pursuant to this section shall sunset
9	automatically on August 28, 2024, unless reauthorized by an act of the general assembly;
10	(2) If such program is reauthorized, the program authorized pursuant to this section shall
11	sunset automatically twelve years after the effective date of the reauthorization; and
12	(3) This section shall terminate on September first of the calendar year immediately
13	following the calendar year in which the program authorized pursuant to this section is sunset."; and

1	7. Any eligible applicant desiring to claim a tax credit under this section shall submit
2	the appropriate application for such credit with the department. The application for a
3	tax credit under this section shall include any information required by the
4	department. The department shall review the applications and certify to the
5	department of revenue each eligible applicant that qualifies for the tax credit.
6	8. The department and the department of revenue may promulgate rules to
7	implement the provisions of this section. Any rule or portion of a rule, as that term is
8	defined in section 536.010, that is created under the authority delegated in this
9	section shall become effective only if it complies with and is subject to all of the
10	provisions of chapter 536 and, if applicable, section 536.028. This section and
11	chapter 536 are nonseverable and if any of the powers vested with the general
12	assembly pursuant to chapter 536 to review, to delay the effective date, or to
13	disapprove and annul a rule are subsequently held unconstitutional, then the grant of
14	rulemaking authority and any rule proposed or adopted after August 28, 2008, shall
15	be invalid and void.

17	(1) The provisions of the new program authorized under this section shall
18	automatically sunset three years after December 31, 2014, unless reauthorized by an
19	act of the general assembly; and
20	(2) If such program is reauthorized, the program authorized under this section shall
21	automatically sunset six years after the effective date of the reauthorization of this
22	section; and
23	(3) This section shall terminate on December thirty-first of the calendar year
24	immediately following the calendar year in which the program authorized under this
25	section is sunset; and
26	(4) The provisions of this subsection shall not be construed to limit or in any way impair the
27	department's ability to redeem tax credits authorized on or before the date the program authorized
