FISCAL ANALYSIS

ASSUMPTION

§§ 56.086 and 192.2435 - Multidisciplinary adult protection teams and reports

Oversight notes the **Missouri Office of Prosecution Services** has stated the proposal would not have a fiscal impact on their organization. The creation of additional responsibilities for county prosecutors may result in additional costs which are difficult to determine at the present time. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for this organization.

Oversight notes the **Department of Health and Senior Services**, the **Department of Mental Health**, the **Department of Social Services**, the **Office of State Courts Administrator**, the have stated the proposal would not have a direct fiscal impact on their organizations. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these organizations.

Oversight notes, in response to similar legislation from the current session (SB 625), the **St. Louis County Police Department** and **St. Louis County Department of Justice Services** have each stated the proposal would not have a direct fiscal impact on their respective organizations. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these organizations.

Oversight notes the provisions of this proposal provide that each prosecuting attorney of a county or the circuit attorney may develop, maintain, and coordinate the services of one or more multidisciplinary adult protection teams. Oversight assumes this is permissive and is not a required duty and, therefore, Oversight assumes the proposal will either have no fiscal impact or an unknown cost to local governments to establish adult protection teams or a database of cases.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other sheriff's and police departments, counties and circuit courts were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.

FISCAL DESCRIPTION

This bill allows prosecuting attorneys to develop multidisciplinary adult protection teams that protect elderly and other dependent persons from abuse. A "multidisciplinary adult protection team" is defined as a team of two or more persons trained in the investigation, prosecution, prevention, identification, and treatment of abuse of vulnerable, elderly, or disabled persons and are qualified to provide a broad range of services to these individuals.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
