FISCAL ANALYSIS

ASSUMPTION

Section 324.035- Professional Registration Fees

Officials from the **Department of Commerce and Insurance (DCI)** do not anticipate any fiscal impact from the provisions of the bill. The division believes offering training helps keep licensees compliant with laws and regulations. As an example, the state's Committee of Psychologists saw a tangible decrease in complaints after offering continuing education (CE) course for licensees. Should the number of complaints and investigations rise, the department may need to request additional appropriation and FTE through the budget process.

Oversight notes that the DCI has stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

<u>FISCAL IMPACT - State Government</u>	FY 2021 (10 Mo.)	FY 2022	FY 2023

<u>FISCAL IMPACT - Local Government</u>	FY 2021 (10 Mo.)	FY 2022	FY 2023

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
