FISCAL DESCRIPTION

This bill prevents any public school district or charter school from prohibiting a parent or guardian from recording any meeting held under the federal Individuals with Disabilities Education Act (IDEA) or a Section 504 plan meeting (Federal Rehabilitation Act of 1973).

Districts may not require parents to provide more than 24 hours notice in order to record said meeting, and no school district employee acting in good faith shall face discharge or discriminations for reporting retaliation, discrimination, or violations of IDEA or Section 504 as a result of these recordings.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
