Oversight notes the **Department of Public Safety - Missouri State Highway Patrol**, the **Department of Transportation**, the **City of Kansas City**, and the **City of Springfield** have each stated the proposal would not have a direct fiscal impact on their organizations.

In response to similar legislation (SB 700), officials from the **Boone County Sheriff's Department** stated the proposal would not have a direct fiscal impact on their organization.

Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other sheriff's departments and the cities of Columbia and St. Louis were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.
