FISCAL ANALYSIS

ASSUMPTION

§209.030 - Blind Pension; removal of certified mail provision

Officials from the **Department of Social Services, Family Support Division (DSS/FSD)** state funds were not allocated to FSD for the costs incurred as a result of the requirement to send communications to Blind Pension (BP) participants via certified mail. Therefore, FSD redirected funds from other activities for this purpose. FSD would realize a cost avoidance of \$103,444 (\$112,750 - \$9,306 = \$103,444) (certified mail vs. standard) as a result of this legislation. If the provisions of this legislation are enacted, FSD would redirect these funds back to case management activities.

Oversight notes the Blind Pension program receives no federal funds. DSS assumes savings from a reduction in certified mail costs (administrative activity) will be redirected to other activities. Oversight will show the estimated savings provided by DSS/FSD to the Blind Pension Fund. Oversight notes subsection 209.030.3 was added in 2018 with HCS/HB 2171.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

This bill removes a requirement that any notice sent to an applicant or recipient of blind pension funds must be sent by certified mail. Instead, the bill allows the notice to be sent by any mail delivered by the United States Postal Service (§209.030).

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
