FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of the Secretary of State (SOS)** assume the proposal will have no fiscal impact on their organization.

Oversight notes there could be a potential increase in absentee ballots if this proposal were to be enacted. There may be additional mailing expense for returned voted ballot postage that will be charged to the State of Missouri. The **SOS** stated there may be an increase, but the SOS is not able to quantify it beyond an “unknown.” Oversight assumes the cost will not be material, and will reflect a zero to a (Less than \$100,000) annual fiscal impact to the State of Missouri. .

Officials from the **Kansas City Election Board** assume the fiscal impact of this proposal would be to hire 2 new permanent employees at \$40,000 each including benefits. Postage and printing per election would increase \$10,000 to handle the increased volume of absentee voters. Legal notices to notify the public about changes to absentee voting would be \$5,000.

In response to similar legislation, HB 1393 from 2020, officials from the **Jackson County Election Board** anticipate a 30% increase in mail outs within their jurisdictional boundaries if the proposal should pass. Jackson County Election Board has 250,000 who could qualify under this proposal.

Using Presidential Year 2016 as a guide, the increase in postage costs would be:

March Mail Outs	1,996	30% increase (599) x .70 cents =	\$419.30
April Mail Outs	918	30% increase (276) x .70 cents =	\$193.20
August Mail Outs	1,915	30% increase (575) x .70 cents =	\$402.50
November Mail Outs	11,025	30\$ increase (3,308) x .70 cents =	<u>\$2,315.60</u>
Total Postage			\$3,330.60

Additional part-time help to assemble additional mail-outs of absentee ballots:

\$12.00 per hour x 10 minutes per additional mail-outs (6 per hour) 793 hours = \$9,516.00

Reprinting of absentee ballot envelopes and instructions: = \$6,500.00

Total Fiscal Note for Jackson County Election Board = \$19,346.60

ASSUMPTION (continued)

Oversight notes there could be a potential increase in absentee ballots if this proposal were to be enacted. We are unable to determine how many additional individuals will cast an absentee ballot; therefore, Oversight will reflect an unknown fiscal impact for the additional cost to local election authorities.

Officials from the **St. Louis County Board of Elections, Platte County Board of Elections and Livingston County Clerk** each assume the proposal will have no fiscal impact on their organization.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other local election authorities were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

This bill allows any person who is properly registered to vote to vote by absentee ballot without stating any reason.

An exception allowing the lack of notarization on ballots is allowed for those voting absentee because travel to polls is a hardship and the privacy of personal information about individuals in the Address Confidentiality Program is retained in the bill.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
