## FISCAL ANALYSIS

### ASSUMPTION

#### §311.293 - Permitted hours of sale of intoxicating liquor

**Oversight** notes the **Department of Revenue**, the **Department of Public Safety - Alcohol and Tobacco Control**, and the **City of Kansas City** have each stated the proposal would not have a direct fiscal impact on their respective organizations. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

Officials from the **City of Brentwood** responded to the legislation but did not provide a fiscal impact.

Officials from the **City of Springfield** state there is a potential positive fiscal impact to the City of Springfield. However, the impact is unquantifiable without knowing how the proposed legislation will affect the City's general fund.

**Oversight** assumes any potential impact on cities and counties would be indirect. Therefore, for purposes of this fiscal note, Oversight will present a zero impact to local governments.

**Oversight** only reflects the responses that we have received from state agencies and political subdivisions; however, other cities and counties were requested to respond to this proposed legislation but did not. A general listing of political subdivisions included in our database is available upon request.
