## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Missouri Ethics Commission (MEC)** assume the proposal will have no fiscal impact on their organization.

If a significant number of entities were to begin reporting such activity as outlined in 130.047, RSMo, additional analysts would be required to assist in providing filing assistance and review of reports filed with the Commission.

If the Commission identifies significant violations during the process established in Section 105.955.14 (2), (3), RSMo, or complaints received increase significantly an Investigator would be required to provide the proper oversight.

For informational purposes only, if the Commission were to receive complaints or identify alleged violations and if the Commission found probable cause a violation exists the Commission can recommend or agree to monetary penalties as established in 105.961.4, RSMo. The penalties received by the Commission in enforcement actions are forwarded to the appropriate school district.

The Commission would anticipate that changes or additions to the proposed language set forth in this bill, may require additional associated costs for FTE, equipment, and expenses.

**Oversight** notes that the Missouri Ethics Commission has stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.
