FISCAL ANALYSIS

ASSUMPTION

§§43.503 and 43.665 - Website to check serial number of a firearm

Officials from the **Department of Public Safety - Missouri State Highway Patrol (MHP)** estimate this project will take approximately 350 hours to complete in-house and estimates the cost at \$10,000. The MHP states these costs can be absorbed with existing resources.

Oversight assumes the MHP is provided with core funding to handle a certain amount of activity each year. Oversight assumes the MHP could absorb the costs related to this proposal.

Oversight notes that the **Department of Natural Resources**, the **Department of Conservation**, the **Springfield Police Department**, the **St. Louis County Department of Justice Services** and the **St. Louis County Police Department** have each stated the proposal would not have a direct fiscal impact on their organizations.

Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.
