FISCAL ANALYSIS

ASSUMPTION

Officials at the **Department of Higher Education and Workforce Development, Office of the Governor, Missouri House of Representatives, St. Charles Community College, State Technical College of Missouri, and University of Missouri** each assume this proposal will have no fiscal impact on their respective agencies.

Officials from **Department of Elementary and Secondary Education** assume this proposal will have insignificant costs.

Officials from the **Missouri Senate** assume this bill will cost \$110.33 for each of three appointees, for a total of \$331 in mileage per meeting. The Senate assumes the meetings are held in Jefferson City during the interim.

Oversight assumes that each of the eighteen members will be reimbursed roughly \$110.33 per meeting, for a cost of \$1,986 per meeting. If three meetings are held during a year, this would equate to roughly \$6,000 annually in reimbursement expenses. Oversight assumes this amount is not material and will not reflect it on the fiscal note.
