HB 1257 2

(4) Any child-care facility maintained or operated under the exclusive control of a religious organization. When a nonreligious organization, having as its principal purpose the provision of child-care services, enters into an arrangement with a religious organization for the maintenance or operation of a child-care facility, the facility is not under the exclusive control of the religious organization;

- (5) Any residential facility or day program licensed by the department of mental health pursuant to sections 630.705 to 630.760 which provides care, treatment and habilitation exclusively to children who have a primary diagnosis of mental disorder, mental illness, intellectual disability or developmental disability, as defined in section 630.005; and
 - (6) Any nursery school.
- 2. Notwithstanding the provisions of subsection 1 of this section, no child-care facility shall be exempt from licensure if such facility receives any state or federal funds for providing care for children, except for federal funds for those programs which meet the requirements for participation in the Child and Adult Care Food Program pursuant to 42 U.S.C. Section 1766. Grants to parents for child care pursuant to sections 210.201 to 210.257 shall not be construed to be funds received by a person or facility listed in subdivisions (1) and (4) of subsection 1 of this section.
- 3. Any child care facility not exempt from licensure shall disclose the licensure status of the facility to the parents or guardians of children for which the facility provides care. No child care facility exempt from licensure shall represent to any parent or guardian of children for which the facility provides care that the facility is licensed when such facility is in fact not licensed. A parent or guardian shall sign a written notice indicating he or she is aware of the licensure status of the facility. The facility shall keep a copy of this signed written notice on file. All child care facilities shall provide the parent or guardian enrolling a child in the facility with a written explanation of the disciplinary philosophy and policies of the child care facility.
- 4. Any in-home licensed child-care facility that is organized as a corporation, association, firm, partners hip, proprietorship, limited liability company, or any other type of business entity in this state shall qualify for the exemption for related children for children who are related to the member of the corporation, association, firm, partnership, proprietorship, limited liability company, or other type of business entity who is responsible for the daily operation of the child-care facility and who meets the requirements of the child care provider. If more than one member of the corporation, association, firm, partnership, proprietorship, limited liability company, or other type of business entity is responsible for the daily operation of the child-care facility, the exemption for related children shall only be granted for children who are related to one of the members. All child-care facilities under this subsection shall disclose the licensure status of the facility to the parents or guardians of children for which the facility provides care.
