55 as designed by the director, and payment of an annual fee of three hundred sixty dollars for the  
56 first ten plates and thirty-six dollars for each additional plate. The payment and issuance of such  
57 plates shall be in lieu of registering each motor vehicle with the director as otherwise provided  
58 by law.

59 (3) **The registration fees for vehicles in the registered fleet owner's fleet shall be**  
60 **fully payable at the time such plates are ordered, except that when such plate is ordered**  
61 **after the first month of registration, the fees payable shall be prorated by the month the**  
62 **plates were ordered. When biennial registration is sought, an additional year's annual fee**  
63 **shall be added to the partial year's prorated fee.**

64 (4) Such motor vehicles within the fleet shall not be exempted from the safety inspection  
65 and emissions inspection provisions as prescribed in chapters 307 and 643, but notwithstanding  
66 the provisions of section 307.355, such inspections shall not be required to be presented to the

71 individual motor vehicle registration periods as prescribed in sections 301.030, 301.035, and  
72 301.147. If an applicant elects a biennial fleet registration, the annual fleet license plate fees  
73 prescribed in subdivision (1) of subsection 6 of this section shall be doubled. An agent fee as  
74 prescribed in subdivision (1) of subsection 1 of section 136.055 shall apply to the issuance of  
75 fleet registrations issued under subsections 6 to 10 of this section, and if a biennial fleet  
76 registration is elected, the agent fee shall be collected in an amount equal to the fee for two years.

78 the applicant shall provide proof of insurance as required under section 303.024 or 303.026.

79 9. The authority of a recipient of a lease or rental company license issued by the director  
80 of revenue as prescribed in section 144.070 to operate as a fleet owner as provided in this section  
81 shall expire on January first of the licensure period.

83 to 10 of this section shall make available, upon request, to the director of revenue and all  
84 Missouri law enforcement agencies any corresponding vehicle and registration information that  
85 may be requested as prescribed by rule.

86 11. The director shall make all necessary rules and regulations for the administration of  
87 this section and shall design all necessary forms required by this section. Any rule or portion of  
88 a rule, as that term is defined in section 536.010, that is created under the authority delegated in  
89 this section shall become effective only if it complies with and is subject to all the provisions of

90 chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable  
91 and if any of the powers vested with the general assembly under chapter 536 to review, to delay  
92 the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then  
93 the grant of rulemaking authority and any rule proposed or adopted after August 28, 2019, shall  
94 be invalid and void.

6 charitable purposes; except that the buyer of a motor vehicle or trailer who trades in a motor  
7 vehicle or trailer may attach the license plates from the traded-in motor vehicle or trailer to the  
8 newly purchased motor vehicle or trailer. The operation of a motor vehicle with such transferred  
9 plates shall be lawful for no more than thirty days, or no more than ninety days if the dealer is  
10 selling the motor vehicle under the provisions of section 301.213, **or no more than sixty days**

12 **301.210**. As used in this subsection, the term "trade-in motor vehicle or trailer" shall include any  
13 single motor vehicle or trailer sold by the buyer of the newly purchased vehicle or trailer, as long

16 vehicle under the same number, upon the payment of a fee of two dollars, if the motor vehicle  
17 is of horsepower, gross weight or (in the case of a passenger-carrying commercial motor vehicle)  
18 seating capacity, not in excess of that originally registered. When such motor vehicle is of  
19 greater horsepower, gross weight or (in the case of a passenger-carrying commercial motor  
20 vehicle) seating capacity, for which a greater fee is prescribed, **the** applicant shall pay a transfer  
21 fee of two dollars and a pro rata portion for the difference in fees. When such vehicle is of less

33 motor vehicle) seating capacity, for which a lesser fee is prescribed, the applicant shall not be  
34 entitled to a refund.

48 The director of the department of revenue or a producer authorized by the director of the  
49 department of revenue may make temporary permits available to registered dealers in this state,  
50 authorized agents of the department of revenue or the department of revenue. The price paid by  
51 a motor vehicle dealer, an authorized agent of the department of revenue or the department of  
52 revenue for a temporary permit shall not exceed five dollars for each permit. The director of the  
53 department of revenue shall direct motor vehicle dealers and authorized agents to obtain  
54 temporary permits from an authorized producer. Amounts received by the director of the  
55 department of revenue for temporary permits shall constitute state revenue; however, amounts  
56 received by an authorized producer other than the director of the department of revenue shall not  
57 constitute state revenue and any amounts received by motor vehicle dealers or authorized agents  
58 for temporary permits purchased from a producer other than the director of the department of  
59 revenue shall not constitute state revenue. In no event shall revenues from the general revenue  
60 fund or any other state fund be utilized to compensate motor vehicle dealers or other producers  
61 for their role in producing temporary permits as authorized under this section. Amounts that do  
62 not constitute state revenue under this section shall also not constitute fees for registration or  
63 certificates of title to be collected by the director of the department of revenue under section  
64 301.190. No motor vehicle dealer, authorized agent or the department of revenue shall charge  
65 more than five dollars for each permit issued. The permit shall be valid for a period of thirty  
66 days, or no more than ninety days if issued by a dealer selling the motor vehicle under the  
67 provisions of section 301.213, **or no more than sixty days if issued by a dealer selling the**

68 **motor vehicle under the provisions of subsection 5 of section 301.210**, from the date of  
69 purchase of a motor vehicle or trailer, or from the date of sale of the motor vehicle or trailer by  
70 a motor vehicle dealer for which the purchaser obtains a permit as set out above. No permit shall  
71 be issued for a vehicle under this section unless the buyer shows proof of financial responsibility.  
72 Each temporary permit issued shall be securely fastened to the back or rear of the motor vehicle  
73 in a manner and place on the motor vehicle consistent with registration plates so that all parts and  
74 qualities of the temporary permit thereof shall be plainly and clearly visible, reasonably clean and  
75 are not impaired in any way.

76 5. The permit shall be issued on a form prescribed by the director of the department of  
77 revenue and issued only for the applicant's temporary operation of the motor vehicle or trailer  
78 purchased to enable the applicant to temporarily operate the motor vehicle while proper title and  
79 registration plates are being obtained, or while awaiting receipt of registration plates, and shall  
80 be displayed on no other motor vehicle. Temporary permits issued pursuant to this section shall  
81 not be transferable or renewable, shall not be valid upon issuance of proper registration plates  
82 for the motor vehicle or trailer, and shall be returned to the department or to the department's  
83 agent upon the issuance of such proper registration plates. Any temporary permit returned to the  
84 department or to the department's agent shall be immediately destroyed. The provisions of this  
85 subsection shall not apply to temporary permits issued for commercial motor vehicles licensed  
86 in excess of twenty-four thousand pounds gross weight. The director of the department of  
87 revenue shall determine the size, material, design, numbering configuration, construction, and  
88 color of the permit. The director of the department of revenue, at his or her discretion, shall have  
89 the authority to reissue, and thereby extend the use of, a temporary permit previously and legally  
90 issued for a motor vehicle or trailer while proper title and registration are being obtained.

91 6. Every motor vehicle dealer that issues temporary permits shall keep, for inspection  
92 by proper officers, an accurate record of each permit issued by recording the permit number, the  
93 motor vehicle dealer's number, buyer's name and address, the motor vehicle's year, make, and  
94 manufacturer's vehicle identification number, and the permit's date of issuance and expiration  
95 date. Upon the issuance of a temporary permit by either the central office of the department of  
96 revenue, a motor vehicle dealer or an authorized agent of the department of revenue, the director  
97 of the department of revenue shall make the information associated with the issued temporary  
98 permit immediately available to the law enforcement community of the state of Missouri.

99 7. Upon the transfer of ownership of any currently registered motor vehicle wherein the  
100 owner cannot transfer the license plates due to a change of motor vehicle category, the owner  
101 may surrender the license plates issued to the motor vehicle and receive credit for any unused  
102 portion of the original registration fee against the registration fee of another motor vehicle. Such

103 credit shall be granted based upon the date the license plates are surrendered. No refunds shall  
104 be made on the unused portion of any license plates surrendered for such credit.

105 8. An additional temporary license plate produced in a manner and of materials  
106 determined by the director to be the most cost-effective means of production with a configuration  
107 that matches an existing or newly issued plate may be purchased by a motor vehicle owner to be  
108 placed in the interior of the vehicle's rear window such that the driver's view out of the rear  
109 window is not obstructed and the plate configuration is clearly visible from the outside of the  
110 vehicle to serve as the visible plate when a bicycle rack or other item obstructs the view of the  
111 actual plate. Such temporary plate is only authorized for use when the matching actual plate is  
112 affixed to the vehicle in the manner prescribed in subsection 5 of section 301.130. The fee  
113 charged for the temporary plate shall be equal to the fee charged for a temporary permit issued  
114 under subsection 4 of this section. Replacement temporary plates authorized in this subsection  
115 may be issued as needed upon the payment of a fee equal to the fee charged for a temporary  
116 permit under subsection 4 of this section. The newly produced third plate may only be used on  
117 the vehicle with the matching plate, and the additional plate shall be clearly recognizable as a  
118 third plate and only used for the purpose specified in this subsection.

119 9. Notwithstanding the provisions of section 301.217, the director may issue a temporary  
120 permit to an individual who possesses a salvage motor vehicle which requires an inspection  
121 under subsection 9 of section 301.190. The operation of a salvage motor vehicle for which the  
122 permit has been issued shall be limited to the most direct route from the residence, maintenance,  
123 or storage facility of the individual in possession of such motor vehicle to the nearest authorized  
124 inspection facility and return to the originating location. Notwithstanding any other requirements  
125 for the issuance of a temporary permit under this section, an individual obtaining a temporary  
126 permit for the purpose of operating a motor vehicle to and from an examination facility as  
127 prescribed in this subsection shall also purchase the required motor vehicle examination form  
128 which is required to be completed for an examination under subsection 9 of section 301.190 and  
129 provide satisfactory evidence that such vehicle has passed a motor vehicle safety inspection for  
130 such vehicle as required in section 307.350.

131 10. The director of the department of revenue may promulgate all necessary rules and  
132 regulations for the administration of this section. Any rule or portion of a rule, as that term is  
133 defined in section 536.010, that is created under the authority delegated in this section shall  
134 become effective only if it complies with and is subject to all of the provisions of chapter 536  
135 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of  
136 the powers vested with the general assembly pursuant to chapter 536 to review, to delay the  
137 effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the

138 grant of rulemaking authority and any rule proposed or adopted after August 28, 2012, shall be  
139 invalid and void.

140 11. The repeal and reenactment of this section shall become effective on the date the  
141 department of revenue or a producer authorized by the director of the department of revenue  
142 begins producing temporary permits described in subsection 4 of such section, or on July 1,  
143 2013, whichever occurs first. If the director of revenue or a producer authorized by the director  
144 of the department of revenue begins producing temporary permits prior to July 1, 2013, the  
145 director of the department of revenue shall notify the revisor of statutes of such fact.

301.190. 1. No certificate of registration of any motor vehicle or trailer, or number plate  
2 therefor, shall be issued by the director of revenue unless the applicant therefor shall make  
3 application for and be granted a certificate of ownership of such motor vehicle or trailer, or shall  
4 present satisfactory evidence that such certificate has been previously issued to the applicant for  
5 such motor vehicle or trailer. Application shall be made within thirty days after the applicant  
6 acquires the motor vehicle or trailer, unless the motor vehicle was acquired under section  
7 301.213 or subsection 5 of section 301.210 in which case the applicant shall make application  
8 within thirty days after receiving title from the dealer, upon a blank form furnished by the  
9 director of revenue and shall contain the applicant's identification number, a full description of  
10 the motor vehicle or trailer, the vehicle identification number, and the mileage registered on the  
11 odometer at the time of transfer of ownership, as required by section 407.536, together with a  
12 statement of the applicant's source of title and of any liens or encumbrances on the motor vehicle  
13 or trailer, provided that for good cause shown the director of revenue may extend the period of  
14 time for making such application. When an owner wants to add or delete a name or names on  
15 an application for certificate of ownership of a motor vehicle or trailer that would cause it to be  
16 inconsistent with the name or names listed on the notice of lien, the owner shall provide the  
17 director with documentation evidencing the lienholder's authorization to add or delete a name  
18 or names on an application for certificate of ownership.

19 2. The director of revenue shall use reasonable diligence in ascertaining whether the facts  
20 stated in such application are true and shall, to the extent possible without substantially delaying  
21 processing of the application, review any odometer information pertaining to such motor vehicle  
22 that is accessible to the director of revenue. If satisfied that the applicant is the lawful owner of  
23 such motor vehicle or trailer, or otherwise entitled to have the same registered in his name, the  
24 director shall thereupon issue an appropriate certificate over his signature and sealed with the  
25 seal of his office, procured and used for such purpose. The certificate shall contain on its face  
26 a complete description, vehicle identification number, and other evidence of identification of the  
27 motor vehicle or trailer, as the director of revenue may deem necessary, together with the  
28 odometer information required to be put on the face of the certificate pursuant to section

29 407.536, a statement of any liens or encumbrances which the application may show to be  
30 thereon, and, if ownership of the vehicle has been transferred, the name of the state issuing the  
31 transferor's title and whether the transferor's odometer mileage statement executed pursuant to  
32 section 407.536 indicated that the true mileage is materially different from the number of miles  
33 shown on the odometer, or is unknown.

34 3. The director of revenue shall appropriately designate on the current and all subsequent  
35 issues of the certificate the words "Reconstructed Motor Vehicle", "Motor Change Vehicle",  
36 "Specially Constructed Motor Vehicle", or "Non-USA-Std Motor Vehicle", as defined in section  
37 301.010. Effective July 1, 1990, on all original and all subsequent issues of the certificate for  
38 motor vehicles as referenced in subsections 2 and 3 of section 301.020, the director shall print  
39 on the face thereof the following designation: "Annual odometer updates may be available from  
40 the department of revenue.". On any duplicate certificate, the director of revenue shall reprint  
41 on the face thereof the most recent of either:

42 (1) The mileage information included on the face of the immediately prior certificate and  
43 the date of purchase or issuance of the immediately prior certificate; or

44 (2) Any other mileage information provided to the director of revenue, and the date the  
45 director obtained or recorded that information.

46 4. The certificate of ownership issued by the director of revenue shall be manufactured  
47 in a manner to prohibit as nearly as possible the ability to alter, counterfeit, duplicate, or forge  
48 such certificate without ready detection. In order to carry out the requirements of this subsection,  
49 the director of revenue may contract with a nonprofit scientific or educational institution  
50 specializing in the analysis of secure documents to determine the most effective methods of  
51 rendering Missouri certificates of ownership nonalterable or noncounterfeitable.

52 5. The fee for each original certificate so issued shall be eight dollars and fifty cents, in  
53 addition to the fee for registration of such motor vehicle or trailer. If application for the  
54 certificate is not made within thirty days after the vehicle is acquired by the applicant, or where  
55 the motor vehicle was acquired under section 301.213 **or subsection 5 of section 301.210** and  
56 the applicant fails to make application within thirty days after receiving title from the dealer, a  
57 delinquency penalty fee of twenty-five dollars for the first thirty days of delinquency and  
58 twenty-five dollars for each thirty days of delinquency thereafter, not to exceed a total of two  
59 hundred dollars, but such penalty may be waived by the director for a good cause shown. If the  
60 director of revenue learns that any person has failed to obtain a certificate within thirty days after  
61 acquiring a motor vehicle or trailer, or where the motor vehicle was acquired under section  
62 301.213 **or subsection 5 of section 301.210** and the applicant fails to make application within  
63 thirty days after receiving title from the dealer, or has sold a vehicle without obtaining a  
64 certificate, he shall cancel the registration of all vehicles registered in the name of the person,

65 either as sole owner or as a co-owner, and shall notify the person that the cancellation will  
66 remain in force until the person pays the delinquency penalty fee provided in this section,  
67 together with all fees, charges and payments which the person should have paid in connection  
68 with the certificate of ownership and registration of the vehicle. The certificate shall be good for  
69 the life of the motor vehicle or trailer so long as the same is owned or held by the original holder  
70 of the certificate and shall not have to be renewed annually.

71 6. Any applicant for a certificate of ownership requesting the department of revenue to  
72 process an application for a certificate of ownership in an expeditious manner requiring special  
73 handling shall pay a fee of five dollars in addition to the regular certificate of ownership fee.

74 7. It is unlawful for any person to operate in this state a motor vehicle or trailer required  
75 to be registered under the provisions of the law unless a certificate of ownership has been applied  
76 for as provided in this section.

77 8. Before an original Missouri certificate of ownership is issued, an inspection of the  
78 vehicle and a verification of vehicle identification numbers shall be made by the Missouri state  
79 highway patrol on vehicles for which there is a current title issued by another state if a Missouri  
80 salvage certificate of title has been issued for the same vehicle but no prior inspection and  
81 verification has been made in this state, except that if such vehicle has been inspected in another  
82 state by a law enforcement officer in a manner comparable to the inspection process in this state  
83 and the vehicle identification numbers have been so verified, the applicant shall not be liable for  
84 the twenty-five dollar inspection fee if such applicant submits proof of inspection and vehicle  
85 identification number verification to the director of revenue at the time of the application. The  
86 applicant, who has such a title for a vehicle on which no prior inspection and verification have  
87 been made, shall pay a fee of twenty-five dollars for such verification and inspection, payable  
88 to the director of revenue at the time of the request for the application, which shall be deposited  
89 in the state treasury to the credit of the state highways and transportation department fund.

90 9. Each application for an original Missouri certificate of ownership for a vehicle which  
91 is classified as a reconstructed motor vehicle, specially constructed motor vehicle, kit vehicle,  
92 motor change vehicle, non-USA-std motor vehicle, or other vehicle as required by the director  
93 of revenue shall be accompanied by a vehicle examination certificate issued by the Missouri state  
94 highway patrol, or other law enforcement agency as authorized by the director of revenue. The  
95 vehicle examination shall include a verification of vehicle identification numbers and a  
96 determination of the classification of the vehicle. The owner of a vehicle which requires a  
97 vehicle examination certificate shall present the vehicle for examination and obtain a completed  
98 vehicle examination certificate prior to submitting an application for a certificate of ownership  
99 to the director of revenue. Notwithstanding any provision of the law to the contrary, an owner  
100 presenting a motor vehicle which has been issued a salvage title and which is ten years of age

101 or older to a vehicle examination described in this subsection in order to obtain a certificate of  
102 ownership with the designation prior salvage motor vehicle shall not be required to repair or  
103 restore the vehicle to its original appearance in order to pass or complete the vehicle  
104 examination. The fee for the vehicle examination application shall be twenty-five dollars and  
105 shall be collected by the director of revenue at the time of the request for the application and  
106 shall be deposited in the state treasury to the credit of the state highways and transportation  
107 department fund. If the vehicle is also to be registered in Missouri, the safety inspection required  
108 in chapter 307 and the emissions inspection required under chapter 643 shall be completed and  
109 the fees required by section 307.365 and section 643.315 shall be charged to the owner.

110 10. When an application is made for an original Missouri certificate of ownership for a  
111 motor vehicle previously registered or titled in a state other than Missouri or as required by  
112 section 301.020, it shall be accompanied by a current inspection form certified by a duly  
113 authorized official inspection station as described in chapter 307. The completed form shall  
114 certify that the manufacturer's identification number for the vehicle has been inspected, that it  
115 is correctly displayed on the vehicle and shall certify the reading shown on the odometer at the  
116 time of inspection. The inspection station shall collect the same fee as authorized in section  
117 307.365 for making the inspection, and the fee shall be deposited in the same manner as provided  
118 in section 307.365. If the vehicle is also to be registered in Missouri, the safety inspection  
119 required in chapter 307 and the emissions inspection required under chapter 643 shall be  
120 completed and only the fees required by section 307.365 and section 643.315 shall be charged  
121 to the owner. This section shall not apply to vehicles being transferred on a manufacturer's  
122 statement of origin.

123 11. Motor vehicles brought into this state in a wrecked or damaged condition or after  
124 being towed as an abandoned vehicle pursuant to another state's abandoned motor vehicle  
125 procedures shall, in lieu of the inspection required by subsection 10 of this section, be inspected  
126 by the Missouri state highway patrol in accordance with subsection 9 of this section. If the  
127 inspection reveals the vehicle to be in a salvage or junk condition, the director shall so indicate  
128 on any Missouri certificate of ownership issued for such vehicle. Any salvage designation shall  
129 be carried forward on all subsequently issued certificates of title for the motor vehicle.

130 12. When an application is made for an original Missouri certificate of ownership for a  
131 motor vehicle previously registered or titled in a state other than Missouri, and the certificate of  
132 ownership has been appropriately designated by the issuing state as a reconstructed motor  
133 vehicle, motor change vehicle, specially constructed motor vehicle, or prior salvage vehicle, the  
134 director of revenue shall appropriately designate on the current Missouri and all subsequent  
135 issues of the certificate of ownership the name of the issuing state and such prior designation.  
136 The absence of any prior designation shall not relieve a transferor of the duty to exercise due

137 diligence with regard to such certificate of ownership prior to the transfer of a certificate. If a  
138 transferor exercises any due diligence with regard to a certificate of ownership, the legal transfer  
139 of a certificate of ownership without any designation that is subsequently discovered to have or  
140 should have had a designation shall be a transfer free and clear of any liabilities of the transferor  
141 associated with the missing designation.

142 13. When an application is made for an original Missouri certificate of ownership for a  
143 motor vehicle previously registered or titled in a state other than Missouri, and the certificate of  
144 ownership has been appropriately designated by the issuing state as non-USA-std motor vehicle,  
145 the director of revenue shall appropriately designate on the current Missouri and all subsequent  
146 issues of the certificate of ownership the words "Non-USA-Std Motor Vehicle".

147 14. The director of revenue and the superintendent of the Missouri state highway patrol  
148 shall make and enforce rules for the administration of the inspections required by this section.

149 15. Each application for an original Missouri certificate of ownership for a vehicle which  
150 is classified as a reconstructed motor vehicle, manufactured forty or more years prior to the  
151 current model year, and which has a value of three thousand dollars or less shall be accompanied  
152 by:

153 (1) A proper affidavit submitted by the owner explaining how the motor vehicle or trailer  
154 was acquired and, if applicable, the reasons a valid certificate of ownership cannot be furnished;

155 (2) Photocopies of receipts, bills of sale establishing ownership, or titles, and the source  
156 of all major component parts used to rebuild the vehicle;

157 (3) A fee of one hundred fifty dollars in addition to the fees described in subsection 5  
158 of this section. Such fee shall be deposited in the state treasury to the credit of the state highways  
159 and transportation department fund; and

160 (4) An inspection certificate, other than a motor vehicle examination certificate required  
161 under subsection 9 of this section, completed and issued by the Missouri state highway patrol,  
162 or other law enforcement agency as authorized by the director of revenue. The inspection  
163 performed by the highway patrol or other authorized local law enforcement agency shall include  
164 a check for stolen vehicles.

165

166 The department of revenue shall issue the owner a certificate of ownership designated with the  
167 words "Reconstructed Motor Vehicle" and deliver such certificate of ownership in accordance  
168 with the provisions of this chapter. Notwithstanding subsection 9 of this section, no owner of  
169 a reconstructed motor vehicle described in this subsection shall be required to obtain a vehicle  
170 examination certificate issued by the Missouri state highway patrol.

301.193. 1. Any person who purchases or is the owner of real property on which  
2 vehicles, as defined in section 301.010, vessels or watercraft, as defined in section 306.010, or

3 outboard motors, as that term is used in section 306.530, have been abandoned, without the  
4 consent of said purchaser or owner of the real property, may apply to the department of revenue  
5 for a certificate of title. Any insurer which purchases a vehicle through the claims adjustment  
6 process for which the insurer is unable to obtain a negotiable title may make an application to  
7 the department of revenue for a salvage certificate of title pursuant to this section. Prior to  
8 making application for a certificate of title on a vehicle under this section, the insurer or owner  
9 of the real estate shall have the vehicle inspected by law enforcement pursuant to subsection 9  
10 of section 301.190, and shall have law enforcement perform a check in the national crime  
11 information center and any appropriate statewide law enforcement computer to determine if the  
12 vehicle has been reported stolen and the name and address of the person to whom the vehicle was  
13 last titled and any lienholders of record. The insurer or owner or purchaser of the real estate  
14 shall, thirty days prior to making application for title, notify any owners or lienholders of record  
15 for the vehicle by certified mail that the owner intends to apply for a certificate of title from the  
16 director for the abandoned vehicle. The application for title shall be accompanied by:

17 (1) A statement explaining the circumstances by which the property came into the  
18 insurer, owner, or purchaser's possession; a description of the property including the year, make,  
19 model, vehicle identification number, and any decal or license plate that may be affixed to the  
20 vehicle; the current location of the property; and the retail value of the property;

21 (2) An inspection report of the property, if it is a vehicle, by a law enforcement agency  
22 pursuant to subsection 9 of section 301.190; and

23 (3) A copy of the thirty-day notice and certified mail receipt mailed to any owner and any  
24 person holding a valid security interest of record.

25 2. Upon receipt of the application and supporting documents, the director shall search  
26 the records of the department of revenue, or initiate an inquiry with another state, if the evidence  
27 presented indicated the property described in the application was registered or titled in another  
28 state, to verify the name and address of any owners and any lienholders. If the latest owner or  
29 lienholder was not notified the director shall inform the insurer, owner, or purchaser of the real  
30 estate of the latest owner and lienholder information so that notice may be given as required by  
31 subsection 1 of this section. Any owner or lienholder receiving notification may protest the  
32 issuance of title by, within the thirty-day **or forty-five-day** notice period, **as applicable**, and may  
33 file a petition to recover the vehicle, naming the insurer **described in subsection 1, 3, or 6 of**  
34 **this section, as applicable; a salvage pool or salvage dealer and dismantler described in**  
35 **subsection 4 of this section; a used motor vehicle dealer described in subsection 5 of this**  
36 **section; or the** owner of the real estate and serving a copy of the petition on the director of  
37 revenue. The director shall not be a party to such petition but shall, upon receipt of the petition,  
38 suspend the processing of any further certificate of title until the rights of all parties to the

39 vehicle are determined by the court. Once all requirements are satisfied the director shall issue  
40 one of the following:

41 (1) An original certificate of title if the vehicle examination certificate, as provided in  
42 section 301.190, indicates that the vehicle was not previously in a salvaged condition or rebuilt;

43 (2) An original certificate of title designated as prior salvage if the vehicle examination  
44 certificate as provided in section 301.190 indicates the vehicle was previously in a salvaged  
45 condition or rebuilt;

46 (3) A salvage certificate of title designated with the words "salvage/abandoned property"  
47 or junking certificate based on the condition of the property as stated in the inspection report.  
48 An insurer purchasing a vehicle through the claims adjustment process under this section shall  
49 only be eligible to obtain a salvage certificate of title or junking certificate. **A salvage pool or**  
50 **salvage dealer and dismantler described in subsection 4 of this section or a used motor**  
51 **vehicle dealer described in subsection 5 of this section shall only be eligible to obtain a**  
52 **salvage certificate of title or junking certificate.**

53 3. Any insurer which purchases a vehicle that is currently titled in Missouri through the  
54 claims adjustment process for which the insurer is unable to obtain a negotiable title may make  
55 application to the department of revenue for a salvage certificate of title or junking certificate.  
56 Such application may be made by the insurer or its designated salvage pool on a form provided  
57 by the department and signed under penalty of perjury. The application shall include a  
58 declaration that the insurer has made at least two written attempts to obtain the certificate of title,  
59 transfer documents, or other acceptable evidence of title, and be accompanied by proof of claims  
60 payment from the insurer, evidence that letters were sent to the vehicle owner, a statement  
61 explaining the circumstances by which the property came into the insurer's possession, a  
62 description of the property including the year, make, model, vehicle identification number, and  
63 current location of the property, and the fee prescribed in subsection 5 of section 301.190. The  
64 insurer shall, thirty days prior to making application for title, notify any owners or lienholders  
65 of record for the vehicle that the insurer intends to apply for a certificate of title from the director  
66 for the vehicle. Upon receipt of the application and supporting documents, the director shall  
67 search the records of the department of revenue to verify the name and address of any owners  
68 and any lienholders. If the director identifies any additional owner or lienholder who has not  
69 been notified by the insurer, the director shall inform the insurer of such additional owner or  
70 lienholder and the insurer shall notify the additional owner or lienholder of the insurer's intent  
71 to obtain title as prescribed in this section. If no valid lienholders have notified the department  
72 of the existence of a lien, the department shall issue a salvage certificate of title or junking  
73 certificate for the vehicle in the name of the insurer.

74           **4. Any salvage pool or salvage dealer and dismantler that takes possession of a**  
75 **vehicle at the request of an insurer when the insurer does not purchase the vehicle through**  
76 **the claims adjustment process may apply to the department for a salvage certificate of title**  
77 **or junking certificate in the name of the salvage pool or salvage dealer and dismantler if**  
78 **the vehicle has remained unclaimed on the salvage pool's or salvage dealer and**  
79 **dismantler's premises for more than forty-five days. The salvage pool or salvage dealer**  
80 **and dismantler shall, forty-five days prior to making application for title, notify any**  
81 **owners or lienholders of record for the vehicle that the salvage pool or salvage dealer and**  
82 **dismantler intends to apply to the director for a certificate of title for the vehicle unless the**  
83 **owner or lienholder removes the vehicle from the salvage pool's or salvage dealer and**  
84 **dismantler's premises within the forty-five days. The application for title shall be on a**  
85 **form provided by the department, signed under penalty of perjury, and shall be**  
86 **accompanied by:**

87           **(1) A statement explaining the circumstances by which the vehicle came into the**  
88 **salvage pool's or salvage dealer and dismantler's possession; a description of the vehicle**  
89 **including the year, make, model, and vehicle identification number; the current location**  
90 **of the property; and the fee prescribed in subsection 5 of section 301.190;**

91           **(2) A copy of the forty-five-day notice and certified mail receipt mailed, or proof**  
92 **that the request was delivered by a nationally recognized courier service, to any owner and**  
93 **any person holding a valid security interest of record; and**

94           **(3) If the vehicle is not currently titled in Missouri, an inspection report of the**  
95 **vehicle by a law enforcement agency pursuant to subsection 9 of section 301.190.**

96  
97 **Upon receipt of the application and supporting documents, the director shall search the**  
98 **records of the department, or initiate an inquiry with another state if the evidence**  
99 **presented indicated the property described in the application was registered or titled in**  
100 **another state, to verify the name and address of any owners and any lienholders. If the**  
101 **director identifies any additional owner or lienholder who has not been notified by the**  
102 **salvage pool or salvage dealer and dismantler, the director shall inform the salvage pool**  
103 **or salvage dealer and dismantler of such additional owner or lienholder and the salvage**  
104 **pool or salvage dealer and dismantler shall notify the additional owner or lienholder of the**  
105 **salvage pool's or salvage dealer and dismantler's intent to obtain title as prescribed in this**  
106 **section. If no valid lienholders have notified the department of the existence of a lien, the**  
107 **department shall issue a salvage certificate of title or junking certificate for the vehicle in**  
108 **the name of the salvage pool or salvage dealer and dismantler.**

109           **5. Any used motor vehicle dealer that takes possession of a vehicle at the request**  
110 **of an organization exempt from federal income taxation under Section 501(c)(3) of the**  
111 **Internal Revenue Code when such organization does not provide the used motor vehicle**  
112 **dealer with a negotiable title may apply to the department of revenue for a salvage**  
113 **certificate of title or junking certificate in the name of the used motor vehicle dealer if the**  
114 **vehicle has remained unclaimed on the used motor vehicle dealer's premises for more than**  
115 **forty-five days. The used motor vehicle dealer shall, forty-five days prior to making**  
116 **application for title, notify any owners or lienholders of record for the vehicle that the used**  
117 **motor vehicle dealer intends to apply for a certificate of title from the director for the**  
118 **vehicle unless the owner or lienholder removes the vehicle from the used motor vehicle**  
119 **dealer's premises within the forty-five days. The application for title shall be on a form**  
120 **provided by the department, signed under penalty of perjury, and shall be accompanied**  
121 **by:**

122           **(1) A statement explaining the circumstances by which the vehicle came into the**  
123 **used motor vehicle dealer's possession; a description of the vehicle including the year,**  
124 **make, model, and vehicle identification number; the current location of the property; and**  
125 **the fee prescribed in subsection 5 of section 301.190;**

126           **(2) A copy of the forty-five-day notice and certified mail receipt mailed, or proof**  
127 **that the request was delivered by a nationally recognized courier service, to any owner and**  
128 **any person holding a valid security interest of record; and**

129           **(3) If the vehicle is not currently titled in Missouri, an inspection report of the**  
130 **vehicle by a law enforcement agency pursuant to subsection 9 of section 301.190.**

131

132 **Upon receipt of the application and supporting documents, the director shall search the**  
133 **records of the department, or initiate an inquiry with another state if the evidence**  
134 **presented indicated the property described in the application was registered or titled in**  
135 **another state, to verify the name and address of any owners and any lienholders. If the**  
136 **director identifies any additional owner or lienholder who has not been notified by the used**  
137 **motor vehicle dealer, the director shall inform the used motor vehicle dealer of such**  
138 **additional owner or lienholder and the used motor vehicle dealer shall notify the additional**  
139 **owner or lienholder of the used motor vehicle dealer's intent to obtain title as prescribed**  
140 **in this section. If no valid lienholders have notified the department of the existence of a**  
141 **lien, the department shall issue a salvage certificate of title or junking certificate for the**  
142 **vehicle in the name of the used motor vehicle dealer.**

143           **6. Any insurer that purchases a vessel or watercraft that is currently titled in**  
144 **Missouri through the claims adjustment process and for which the insurer is unable to**

145 obtain a negotiable title may make application to the department for a certificate of title.  
146 Such application may be made by the insurer or its designated salvage pool or salvage  
147 dealer and dismantler on a form provided by the department and signed under penalty of  
148 perjury. The application shall include a declaration that the insurer has made at least two  
149 written attempts to obtain the certificate of title, transfer documents, or other acceptable  
150 evidence of title and be accompanied by proof of claims payment from the insurer;  
151 evidence that letters were sent to the vessel or watercraft owner; a statement explaining the  
152 circumstances by which the property came into the insurer's possession; a description of  
153 the property including the year, make, and hull identification number; the current location  
154 of the property; and the fee prescribed in subsection 3 of section 306.015. The insurer  
155 shall, thirty days prior to making application for title, notify any owners or lienholders of  
156 record for the vessel or watercraft that the insurer intends to apply to the director for a  
157 certificate of title for the vessel or watercraft. Upon receipt of the application and  
158 supporting documents, the director shall search the records of the department of revenue  
159 to verify the name and address of any owners and any lienholders. If the director identifies  
160 any additional owner or lienholder who has not been notified by the insurer, the director  
161 shall inform the insurer of such additional owner or lienholder and the insurer shall notify  
162 the additional owner or lienholder of the insurer's intent to obtain title as prescribed in this  
163 section. If no valid lienholders have notified the department of the existence of a lien, the  
164 department shall issue a certificate of title for the vessel or watercraft in the name of the  
165 insurer.

301.210. 1. In the event of a sale or transfer of ownership of a motor vehicle or trailer  
2 for which a certificate of ownership has been issued, the holder of such certificate shall endorse  
3 on the same an assignment thereof, with warranty of title in form printed thereon, and prescribed  
4 by the director of revenue, with a statement of all liens or encumbrances on such motor vehicle  
5 or trailer, and deliver the same to the buyer at the time of the delivery to him of such motor  
6 vehicle or trailer; provided that, when the transfer of a motor vehicle, trailer, boat or outboard  
7 motor occurs within a corporation which holds a license to operate as a motor vehicle or boat  
8 dealer pursuant to sections 301.550 to 301.575, the provisions of subdivision (3) of subsection  
9 7 of section 144.070 shall not apply.

10 2. The buyer shall then present such certificate, assigned as aforesaid, to the director of  
11 revenue, at the time of making application for the registration of such motor vehicle or trailer,  
12 whereupon a new certificate of ownership shall be issued to the buyer, the fee therefor being that  
13 prescribed in subsection 5 of section 301.190.

14 3. If such motor vehicle or trailer is sold to a resident of another state or country, or if  
15 such motor vehicle or trailer is destroyed or dismantled, the owner thereof shall immediately

16 notify the director of revenue. Certificates when so signed and returned to the director of  
17 revenue shall be retained by the director of revenue and all certificates shall be appropriately  
18 indexed so that at all times it will be possible for him to expeditiously trace the ownership of the  
19 motor vehicle or trailer designated therein.

20       4. It shall be unlawful for any person to buy or sell in this state any motor vehicle or  
21 trailer registered under the laws of this state, unless, at the time of the delivery thereof, there shall  
22 pass between the parties such certificates of ownership with an assignment thereof, as provided  
23 in this section, and the sale of any motor vehicle or trailer registered under the laws of this state,  
24 without the assignment of such certificate of ownership, shall be **presumed** fraudulent and void  
25 **unless the parties have executed a written agreement for delayed delivery of certificate of**  
26 **ownership as provided in subsection 5 of this section.**

27       5. A motor vehicle dealer licensed under sections 301.550 to 301.580 may deliver  
28 a motor vehicle or trailer to a purchaser with a written agreement to pass the certificate  
29 of ownership with an assignment to the purchaser within thirty days after delivery,  
30 inclusive of weekends and holidays.

31       (1) The form of the agreement shall be prescribed by the director of revenue. The  
32 agreement shall provide that if the motor vehicle dealer does not pass the certificate of  
33 ownership with an assignment to the purchaser within thirty days that the sale shall be  
34 voidable at purchaser's option and, in such case, dealer shall re-purchase the vehicle by  
35 paying and satisfying in full any purchase money lien against the vehicle, including accrued  
36 penalties and fees, with the remainder of one hundred percent of the sale price refunded  
37 and paid by the dealer to the buyer. As used in this subdivision, the term "sale price" shall  
38 include the negotiated price of the vehicle, the down payment, the trade-in allowance even  
39 if the allowance reflected negative equity, and the price of all optional services and  
40 products sold to the buyer under the sales and finance transaction.

41       (2) In the event a motor vehicle subject to this subsection has suffered physical  
42 damage covered by the purchaser's vehicle insurance policy and the vehicle is determined  
43 by the insurance company to be a total loss, the insurance company may satisfy the claim  
44 in full, with respect to the damage to the vehicle, by transferring all proceeds to such  
45 purchaser and any secured lienholder of record. The purchaser shall not assign the  
46 purchaser's corresponding insurance benefits to any party without the express written  
47 permission of the insurer. In conjunction with such satisfaction of the claim, if as part of  
48 such claim settlement the insurance company is to receive the vehicle under subdivision (3)  
49 of this subsection, but clear title never vests with the purchaser within the thirty-day  
50 period after the date of sale prescribed by subdivision (1) of this subsection or within ten  
51 days of the claim settlement date, whichever is later, the insurance company shall notify

52 the dealer that clear title never vested with the purchaser and the dealer shall reimburse  
53 the insurance company for the salvage value of such vehicle as determined in the claims  
54 settlement with the purchaser, and in exchange the insurance company shall assign its  
55 rights to the vehicle back to the dealer. If the dealer fails to make payment to the insurance  
56 company within fifteen days of receiving notice, the dealer shall be liable to the insurance  
57 company for the value of the salvage as determined in the claims settlement with the  
58 purchaser, plus any actual damages and any applicable court costs, in return for the right  
59 to acquire the title and apply for a salvage title under this chapter.

60 (3) Notwithstanding any provision of law to the contrary, completion of the  
61 requirements of this subsection shall constitute prima facie evidence of an ownership  
62 interest vested in the purchaser of the vehicle for all purposes other than for a subsequent  
63 transfer of ownership of the vehicle by the purchaser, subject to the rights of any secured  
64 lienholder of record; however, the purchaser may use a dealer-supplied copy of the  
65 agreement to transfer his or her ownership of the vehicle to an insurance company in  
66 situations where the vehicle has been declared salvage or a total loss by the insurance  
67 company as a result of a settlement of a claim. Such insurance company may apply for a  
68 salvage certificate of title or junking certificate under subsection 3 of section 301.193 in  
69 order to transfer its interest in such vehicle. The purchaser may also use a dealer-supplied  
70 copy of the agreement on the form prescribed by the director of revenue as proof of  
71 ownership interest. Any lender or insurance company may rely upon a copy of the signed  
72 written agreement on the form prescribed by the director of revenue as proof of ownership  
73 interest. Any lien placed upon a vehicle based upon such signed written agreement shall  
74 be valid and enforceable, notwithstanding the absence of a certificate of ownership.

75 (4) No motor vehicle dealer shall be authorized under this subsection to enter and  
76 have outstanding any such written agreements until such dealer has provided to the  
77 director of revenue a surety bond or irrevocable letter of credit in an amount not less than  
78 one hundred thousand dollars in a form which complies with the requirements of section  
79 301.560 and in lieu of the fifty thousand dollar bond otherwise required for licensure as  
80 a motor vehicle dealer.

301.213. 1. Notwithstanding the provisions of sections 301.200 and 301.210, any person  
2 licensed as a motor vehicle dealer under sections 301.550 to 301.580 that has provided to the  
3 director of revenue a surety bond or irrevocable letter of credit in an amount not less than one  
4 hundred thousand dollars in a form which complies with the requirements of section 301.560 and  
5 in lieu of the fifty thousand dollar bond otherwise required for licensure as a motor vehicle dealer  
6 shall be authorized to purchase or accept in trade any motor vehicle for which there has been  
7 issued a certificate of ownership, and to receive such vehicle subject to any existing liens thereon

8 created and perfected under sections 301.600 to 301.660 provided the licensed dealer receives  
9 the following:

10 (1) A signed written contract between the licensed dealer and the owner of the vehicle  
11 outlining the terms of the sale or acceptance in trade of such motor vehicle without transfer of  
12 the certificate of ownership; and

13 (2) Physical delivery of the vehicle to the licensed dealer; and

14 (3) A power of attorney from the owner to the licensed dealer, in accordance with  
15 subsection 4 of section 301.300, authorizing the licensed dealer to obtain a duplicate or  
16 replacement title in the owner's name and sign any title assignments on the owner's behalf.

17 2. If the dealer complies with the requirements of subsection 1 of this section, the sale  
18 or trade of the vehicle to the dealer shall be considered final, subject to any existing liens created  
19 and perfected under sections 301.600 to 301.660. Once the prior owner of the motor vehicle has  
20 physically delivered the motor vehicle to the licensed dealer, the prior owners' insurable interest  
21 in such vehicle shall cease to exist.

22 3. If a licensed dealer complies with the requirements of subsection 1 of this section, and  
23 such dealer has provided to the director of revenue a surety bond or irrevocable letter of credit  
24 in amount not less than one hundred thousand dollars in a form which complies with the  
25 requirements of section 301.560 and in lieu of the fifty thousand dollar bond otherwise required  
26 for licensure as a motor vehicle dealer, such dealer may sell such vehicle prior to receiving and  
27 assigning to the purchaser the certificate of ownership, provided such dealer complies with the  
28 following:

29 (1) All outstanding liens created on the vehicle pursuant to sections 301.600 to 301.660  
30 have been paid in full, and the dealer provides a copy of proof or other evidence to the purchaser;  
31 and

32 (2) The dealer has obtained proof or other evidence from the department of revenue  
33 confirming that no outstanding child support liens exist upon the vehicle at the time of sale and  
34 provides a copy of said proof or other evidence to the purchaser; and

35 (3) The dealer has obtained proof or other evidence from the department of revenue  
36 confirming that all applicable state sales tax has been satisfied on the sale of the vehicle to the  
37 previous owner and provides a copy of said proof or other evidence to the purchaser; and

38 (4) The dealer has signed an application for duplicate or replacement title for the vehicle  
39 under subsection 4 of section 301.300 and provides a copy of the application to the purchaser,  
40 along with a copy of the power of attorney required by subsection 1 of this section, and the dealer  
41 has prepared and delivered to the purchaser an application for title for the vehicle in the  
42 purchaser's name; and

43           (5) The dealer and the purchaser have entered into a written agreement for the  
44 subsequent assignment and delivery of such certificate of ownership, on a form prescribed by the  
45 director of revenue, to take place at a time, not to exceed sixty calendar days, after the time of  
46 delivery of the motor vehicle to the purchaser. Such agreement shall require the purchaser to  
47 provide to the dealer proof of financial responsibility in accordance with chapter 303 and proof  
48 of comprehensive and collision coverage on the motor vehicle. Such dealer shall maintain the  
49 original or an electronic copy of the signed agreement and deliver a copy of the signed agreement  
50 to the purchaser. Such dealer shall also complete and deliver to the director of revenue such  
51 form as the director shall prescribe demonstrating that the purchaser has purchased the vehicle  
52 without contemporaneous delivery of the title.

53

54 Notwithstanding any provision of law to the contrary, completion of the requirements of this  
55 subsection shall constitute prima facie evidence of an ownership interest vested in the purchaser  
56 of the vehicle for all purposes other than for a subsequent transfer of ownership of the vehicle  
57 by the purchaser, subject to the rights of any secured lienholder of record; however, the purchaser  
58 may use the dealer-supplied copy of the agreement to transfer his or her ownership of the vehicle  
59 to an insurance company in situations where the vehicle has been declared salvage or a total loss  
60 by the insurance company as a result of a settlement of a claim. Such insurance company may  
61 apply for a salvage certificate of title or junking certificate pursuant to the provisions of  
62 subsection 3 of section 301.193 in order to transfer its interest in such vehicle. The purchaser  
63 may also use the dealer-supplied copy of the agreement on the form prescribed by the director  
64 of revenue as proof of ownership interest. Any lender or insurance company may rely upon a  
65 copy of the signed written agreement on the form prescribed by the director of revenue as proof  
66 of ownership interest. Any lien placed upon a vehicle based upon such signed written agreement  
67 shall be valid and enforceable, notwithstanding the absence of a certificate of ownership.

68           4. Following a sale or other transaction in which a certificate of ownership has not been  
69 assigned from the owner to the licensed dealer, the dealer shall, within ten business days, apply  
70 for a duplicate or replacement certificate of ownership. Upon receipt of a duplicate or  
71 replacement certificate of ownership applied for under subsection 4 of section 301.300, the  
72 dealer shall assign and deliver said certificate of ownership to the purchaser of the vehicle within  
73 five business days. The dealer shall maintain proof of the assignment and delivery of the  
74 certificate of ownership to the purchaser. For purposes of this subsection, a dealer shall be  
75 deemed to have delivered the certificate of ownership to the purchaser upon either:

76           (1) Physical delivery of the certificate of ownership to any of the purchasers identified  
77 in the contract with such dealer; or

78 (2) Mailing of the certificate, postage prepaid, return receipt requested, to any of the  
79 purchasers at any of their addresses identified in the contract with such dealer.

80 5. If a licensed dealer fails to comply with subsection 3 of this section, and the purchaser  
81 of the vehicle is thereby damaged, then the dealer shall be liable to the purchaser of the vehicle  
82 for actual damages, plus court costs and reasonable attorney fees.

83 6. If a licensed dealer fails or is unable to comply with subsection 4 of this section, and  
84 the purchaser of the vehicle is thereby damaged, then the dealer shall be liable to the purchaser  
85 of the vehicle for actual damages, plus court costs and reasonable attorney fees. If the dealer  
86 cannot be found by the purchaser after making reasonable attempts, or if the dealer fails to assign  
87 and deliver the duplicate or replacement certificate of ownership to the purchaser by the date  
88 agreed upon by the dealer and the purchaser, as required by subsection 4 of this section, then the  
89 purchaser may deliver to the director a copy of the contract for sale of the vehicle, a copy of the  
90 application for duplicate title provided by the dealer to the purchaser, a copy of the secure power  
91 of attorney allowing the dealer to assign the duplicate title, and the proof or other evidence  
92 obtained by the purchaser from the dealer under subsection 3 of this section. Thereafter, the  
93 director shall mail by certified mail, return receipt requested, a notice to the dealer at the last  
94 address given to the department by that dealer. That notice shall inform the dealer that the  
95 director intends to cancel any prior certificate of title which may have been issued to the dealer  
96 on the vehicle and issue to the purchaser a certificate of title in the name of the purchaser, subject  
97 to any liens incurred by the purchaser in connection with the purchase of the vehicle, unless the  
98 dealer, within ten business days from the date of the director's notice, files with the director a  
99 written objection to the director taking such action. If the dealer does file a timely, written  
100 objection with the director, then the director shall not take any further action without an order  
101 from a court of competent jurisdiction. However, if the dealer does not file a timely, written  
102 objection with the director, then the director shall cancel the prior certificate of title issued to the  
103 dealer on the vehicle and issue a certificate of title to the purchaser of the vehicle, subject to any  
104 liens incurred by the purchaser in connection with the purchase of the vehicle and subject to the  
105 purchaser satisfying all applicable taxes and fees associated with registering the vehicle.

106 7. If a seller misrepresents to a dealer that the seller is the owner of a vehicle and the  
107 dealer, the owner, any subsequent purchaser, or any prior or subsequent lienholder is thereby  
108 damaged, then the seller shall be liable to each such party for actual and punitive damages, plus  
109 court costs and reasonable attorney fees.

110 8. When a lienholder is damaged as a result of a licensed dealer's acts, errors, omissions,  
111 or violations of this section, then the dealer shall be liable to the lienholder for actual damages,  
112 plus court costs and reasonable attorney fees.

113 9. No court costs or attorney fees shall be awarded under this section unless, prior to  
114 filing any such action, the following conditions have been met:

115 (1) The aggrieved party seeking damages has delivered an itemized written demand of  
116 the party's actual damages to the party from whom damages are sought; and

117 (2) The party from whom damages are sought has not satisfied the written demand  
118 within thirty days after receipt of the written demand.

119 10. The department of revenue may use a dealer's repeated or intentional violation of this  
120 section as a cause to suspend, revoke, or refuse to issue or renew any license required pursuant  
121 to sections 301.550 to 301.580, in addition to the causes set forth in section 301.562. The  
122 hearing process shall be the same as that established in subsection 6 of section 301.562.

123 **11. No dealer shall enter into a contract under this section after December 31, 2020.**  
124 **Any contract entered into prior to December 31, 2020, shall be enforceable as provided in**  
125 **this section. This section shall be repealed effective December 31, 2020.**

301.280. 1. Every motor vehicle dealer and boat dealer shall make a monthly report to  
2 the department of revenue, on blanks to be prescribed by the department of revenue, giving the  
3 following information: date of the sale of each motor vehicle, boat, trailer and all-terrain vehicle  
4 sold; the name and address of the buyer; the name of the manufacturer; year of manufacture;  
5 model of vehicle; vehicle identification number; style of vehicle; odometer setting; and it shall  
6 also state whether the motor vehicle, boat, trailer or all-terrain vehicle is new or secondhand.  
7 Each monthly sales report filed by a motor vehicle dealer who collects sales tax under subsection  
8 10 of section 144.070 shall also include the amount of state and local sales tax collected for each  
9 motor vehicle sold if sales tax was due. The odometer reading is not required when reporting  
10 the sale of any motor vehicle that is ten years old or older, any motor vehicle having a gross  
11 vehicle weight rating of more than sixteen thousand pounds, new vehicles that are transferred  
12 on a manufacturer's statement of origin between one franchised motor vehicle dealer and another,  
13 or boats, all-terrain vehicles or trailers. The sale of all temporary permits shall be recorded in  
14 the appropriate space on the dealer's monthly sales report, unless the sale of the temporary permit  
15 is already recorded by electronic means as determined by the department. **The monthly sales**  
16 **report shall include a statement of motor vehicles or trailers sold during the month under**  
17 **subsection 5 of section 301.210.** The monthly sales report shall be completed in full and signed  
18 by an officer, partner, or owner of the dealership, and actually received by the department of  
19 revenue on or before the fifteenth day of the month succeeding the month for which the sales are  
20 being reported. If no sales occur in any given month, a report shall be submitted for that month  
21 indicating no sales. Any vehicle dealer who fails to file a monthly report or who fails to file a  
22 timely report shall be subject to disciplinary action as prescribed in section 301.562 or a penalty  
23 assessed by the director not to exceed three hundred dollars per violation. Every motor vehicle

24 and boat dealer shall retain copies of the monthly sales report as part of the records to be  
25 maintained at the dealership location and shall hold them available for inspection by appropriate  
26 law enforcement officials and officials of the department of revenue. Every vehicle dealer  
27 selling twenty or more vehicles a month shall file the monthly sales report with the department  
28 in an electronic format. Any dealer filing a monthly sales report in an electronic format shall be  
29 exempt from filing the notice of transfer required by section 301.196. For any dealer not filing

123 **knowingly** access, distribute, or allow access to or distribution of any written, digital, or  
124 electronic data collected or retained under this section without the express permission of the  
125 applicant or a court order, except that such information may be shared with a law enforcement  
126 agency, judge, prosecuting attorney, or officer of the court, or with another state for the limited

138 defendants.

139           10. The department of revenue may promulgate rules necessary to implement the  
140 provisions of this section. Any rule or portion of a rule, as that term is defined in section  
141 536.010, that is created under the authority delegated in this section shall become effective only  
142 if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section  
143 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the  
144 general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove

145 and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority  
146 and any rule proposed or adopted after August 28, 2017, shall be invalid and void.

147 11. Biometric data, digital images, source documents, and licensee signatures, or any  
148 copies of the same, required to be collected or retained to comply with the requirements of the  
149 federal REAL ID Act of 2005 shall be digitally retained for no longer than the minimum duration  
150 required to maintain compliance, and immediately thereafter shall be securely destroyed so as

157 shall not amend procedures for applying for a driver's license or identification card, nor  
158 promulgate any rule or regulation, for purposes of complying with modifications made to the  
159 federal REAL ID Act of 2005 after August 28, 2017, imposing additional requirements on  
160 applications, document retention, or issuance of compliant licenses or cards, including any rules  
161 or regulations promulgated under the authority granted under the federal REAL ID Act of 2005,  
162 as amended, or any requirements adopted by the American Association of Motor Vehicle

164 14. If the federal REAL ID Act of 2005 is modified or repealed such that driver's licenses  
165 and identification cards issued by this state that are not compliant with the federal REAL ID Act  
166 of 2005 are once again sufficient for federal identification purposes, the department shall not  
167 issue a driver's license or identification card that complies with the federal REAL ID Act of 2005  
168 and shall securely destroy, within thirty days, any source documents retained by the department

29 motor vehicle, and shall be displayed upon demand of any officer of the highway patrol, or any  
30 police officer or peace officer, or any other duly authorized person, for inspection when demand  
31 is made therefor. Failure of any operator of a motor vehicle to exhibit his or her license to any  
32 duly authorized officer shall be presumptive evidence that such person is not a duly licensed  
33 operator.

34 4. [~~The director of revenue shall issue a commercial or noncommercial driver's license~~  
35 ~~without a Social Security number to an applicant therefor, who is otherwise qualified to be~~

45 [~~6.]~~ **5.** The department of revenue may issue a temporary license or a full license without  
46 the photograph or with the last photograph or digital image in the department's records to

47 members of the Armed Forces, except that where such temporary license is issued it shall be  
48 valid only until the applicant shall have had time to appear and have his or her picture taken and  
49 a license with his or her photograph issued.

50 ~~[7-]~~ 6. The department of revenue shall issue upon request a nondriver's license card  
51 containing essentially the same information and photograph or digital image, except as provided  
52 pursuant to subsection 8 of this section, as the driver's license upon payment of six dollars. All  
53 nondriver's licenses shall expire on the applicant's birthday in the sixth year after issuance. A  
54 person who has passed his or her seventieth birthday shall upon application be issued a  
55 nonexpiring nondriver's license card. Notwithstanding any other provision of this chapter, a  
56 nondriver's license containing a concealed carry endorsement shall expire three years from the  
57 date the certificate of qualification was issued pursuant to section 571.101, as section 571.101  
58 existed prior to August 28, 2013. The fee for nondriver's licenses issued for a period exceeding  
59 three years is six dollars or three dollars for nondriver's licenses issued for a period of three years  
60 or less. The nondriver's license card shall be used for identification purposes only and shall not

65 not printed on such license. In order to qualify for a license without a photograph or digital  
66 image pursuant to this section the applicant must:

67 (1) Present a form provided by the department of revenue requesting the applicant's  
68 photograph be omitted from the license or nondriver's license due to religious affiliations. The  
69 form shall be signed by the applicant and another member of the religious tenant verifying the  
70 photograph or digital image exemption on the license or nondriver's license is required as part  
71 of their religious affiliation. The required signatures on the prescribed form shall be properly  
72 notarized;

73 (2) Provide satisfactory proof to the director that the applicant has been a United States  
74 citizen for at least five years and a resident of this state for at least one year, except that an  
75 applicant moving to this state possessing a valid driver's license from another state without a  
76 photograph shall be exempt from the one-year state residency requirement. The director may  
77 establish rules necessary to determine satisfactory proof of citizenship and residency pursuant  
78 to this section;

79 (3) Applications for a driver's license or nondriver's license without a photograph or  
80 digital image must be made in person at a license office determined by the director. The director  
81 is authorized to limit the number of offices that may issue a driver's or nondriver's license  
82 without a photograph or digital image pursuant to this section.

83 [9-] 8. The department of revenue shall make available, at one or more locations within  
84 the state, an opportunity for individuals to have their full facial photograph taken by an employee  
85 of the department of revenue, or their designee, who is of the same sex as the individual being  
86 photographed, in a segregated location.

87 [10-] 9. Beginning July 1, 2005, the director shall not issue a driver's license or a  
88 nondriver's license for a period that exceeds an applicant's lawful presence in the United States.  
89 The director may, by rule or regulation, establish procedures to verify the lawful presence of the  
90 applicant and establish the duration of any driver's license or nondriver's license issued under this  
91 section.

92 [11- No rule or portion of a rule promulgated pursuant to the authority of this chapter  
93 shall become effective unless it is promulgated pursuant to the provisions of chapter 536.]

94 **10. (1) Notwithstanding any biometric data restrictions contained in section**  
95 **302.170, the department of revenue is hereby authorized to design and implement a secure**  
96 **digital driver's license program that allows applicants applying for a driver's license in**  
97 **accordance with this chapter to obtain a secure digital driver's license in addition to the**  
98 **physical card-based license specified in this section.**

99 **(2) A digital driver's license as described in this subsection shall be accepted for all**  
100 **purposes for which a license, as defined in section 302.010, is used.**

101 **(3) The department may contract with one or more entities to develop the secure**  
102 **digital driver's license system. The department or entity may develop a mobile software**  
103 **application capable of being utilized through a person's electronic device to access the**  
104 **person's secure digital driver's license.**

105 **(4) The department shall suspend, disable, or terminate a person's participation in**  
106 **the secure digital driver's license program if:**

107 **(a) The person's driving privilege is suspended, revoked, denied, withdrawn, or**  
108 **cancelled as provided in this chapter; or**

109 **(b) The person reports that the person's electronic device has been lost, stolen, or**  
110 **compromised.**

111 **11. The director of the department of revenue may promulgate rules as necessary**  
112 **for the implementation of this section. Any rule or portion of a rule, as that term is defined**  
113 **in section 536.010 that is created under the authority delegated in this section shall become**  
114 **effective only if it complies with and is subject to all of the provisions of chapter 536 and,**  
115 **if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of**  
116 **the powers vested with the general assembly pursuant to chapter 536 to review, to delay**  
117 **the effective date, or to disapprove and annul a rule are subsequently held**

118 **unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted**  
119 **after the effective date of this act shall be invalid and void.**

**302.205. 1. Any resident of this state may elect to have a medical alert notation**  
2 **placed on the person's driver's license or nondriver's identification card. The following**  
3 **conditions, illnesses, and disorders may be recorded on a driver's license or nondriver's**  
4 **identification card as medical alert information at the request of the applicant:**

15 **2. Any person requesting the inclusion of a medical alert notation on his or her**  
16 **driver's license or nondriver's identification card shall submit an application form to**  
17 **include a waiver of liability for the release of any medical information to the department,**  
18 **any person who is eligible for access to such medical information as recorded on the**  
19 **person's driving record under this chapter, and any other person who may view or receive**  
20 **notice of such medical information by virtue of having seen such person's driver's license**  
21 **or nondriver's identification card. Such application shall advise the person that he or she**  
22 **will be consenting to the release of such medical information to anyone who sees or copies**  
23 **his or her driver's license or nondriver's identification card, even if such person is**  
24 **otherwise ineligible to access such medical information under state or federal law.**

25 **3. Such application shall include space for a person requesting the inclusion of a**  
26 **medical alert notation on his or her driver's license or nondriver's identification card to**  
27 **obtain a sworn statement from a person licensed to practice medicine or psychology in this**  
28 **state verifying such diagnosis.**

29 **4. Any person who has been issued a driver's license or nondriver's identification**  
30 **card bearing medical alert information may be issued a replacement driver's license or**  
31 **nondriver's identification card excluding such medical alert information at his or her**  
32 **request and upon payment of the fee provided in this chapter for replacement of lost**  
33 **licenses or identification cards.**

34           **5. No medical alert information shall be printed on or removed from a driver's**  
35 **license or nondriver's identification card without the express consent of the licensee. If the**  
36 **licensee is a child under the age of eighteen, consent for the printing of medical alert**  
37 **information shall be provided by the parent or guardian of the child when he or she signs**  
38 **the application for the driver's license or nondriver's identification card. If the licensee is**  
39 **an incapacitated adult, consent for the printing of medical alert information shall be given**  
40 **by the guardian of such adult as appointed by a court of competent jurisdiction.**

41           **6. The director of the department of revenue may promulgate all necessary rules**  
42 **and regulations for the administration of this section. Any rule or portion of a rule, as that**  
43 **term is defined in section 536.010, that is created under the authority delegated in this**  
44 **section shall become effective only if it complies with and is subject to all of the provisions**  
45 **of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are**  
46 **nonseverable, and if any of the powers vested with the general assembly pursuant to**  
47 **chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are**  
48 **subsequently held unconstitutional, then the grant of rulemaking authority and any rule**  
49 **proposed or adopted after August 28, 2020, shall be invalid and void.**

          302.720. 1. Except when operating under an instruction permit as described in this  
2 section, no person may drive a commercial motor vehicle unless the person has been issued a  
3 commercial driver's license with applicable endorsements valid for the type of vehicle being  
4 operated as specified in sections 302.700 to 302.780. A commercial driver's instruction permit  
5 shall allow the holder of a valid license to operate a commercial motor vehicle when  
6 accompanied by the holder of a commercial driver's license valid for the vehicle being operated  
7 and who occupies a seat beside the individual, or reasonably near the individual in the case of  
8 buses, for the purpose of giving instruction in driving the commercial motor vehicle. No person  
9 may be issued a commercial driver's instruction permit until he or she has passed written tests  
10 which comply with the minimum federal standards. A commercial driver's instruction permit  
11 shall be nonrenewable and shall be valid for the vehicle being operated for a period of not more  
12 than one year, and shall not be issued until the permit holder has met all other requirements of  
13 sections 302.700 to 302.780, except for the driving test. The fee for such permit shall be ten  
14 dollars. The fee for a duplicate of such commercial driver's instruction permit shall be five  
15 dollars.

16           2. No person may be issued a commercial driver's license until he has passed written and  
17 driving tests for the operation of a commercial motor vehicle which complies with the minimum  
18 federal standards established by the Secretary and has satisfied all other requirements of the  
19 Commercial Motor Vehicle Safety Act of 1986 (Title XII of Pub. Law 99-570), as well as any  
20 other requirements imposed by state law. Beginning January 1, 2020, all applicants for a

21 commercial driver's license shall complete any entry-level driver training program as established  
22 and required under 49 CFR 380.609. All applicants for a commercial driver's license shall have  
23 maintained the appropriate class of commercial driver's instruction permit issued by this state  
24 or any other state for a minimum of fourteen calendar days prior to the date of taking the skills  
25 test. Applicants for a hazardous materials endorsement must also meet the requirements of the  
26 U.S. Patriot Act of 2001 (Title X of Public Law 107-56) as specified and required by regulations  
27 promulgated by the Secretary. Nothing contained in this subsection shall be construed as  
28 prohibiting the director from establishing alternate testing formats for those who are functionally  
29 illiterate; provided, however, that any such alternate test must comply with the minimum  
30 requirements of the Commercial Motor Vehicle Safety Act of 1986 (Title XII of Pub. Law  
31 99-570) as established by the Secretary.

32 (1) The written and driving tests shall be held at such times and in such places as the  
33 superintendent may designate. A twenty-five dollar examination fee shall be paid by the  
34 applicant upon completion of any written or driving test, except the examination fee shall be  
35 waived for applicants seventy years of age or older renewing a license with a school bus  
36 endorsement. The director shall delegate the power to conduct the examinations required under  
37 sections 302.700 to 302.780 to any member of the highway patrol or any person employed by  
38 the highway patrol qualified to give driving examinations. The written test shall only be  
39 administered in the English language. No translators shall be allowed for applicants taking the  
40 test.

41 (2) The director shall adopt and promulgate rules and regulations governing the  
42 certification of third-party testers by the department of revenue. Such rules and regulations shall  
43 substantially comply with the requirements of 49 CFR 383, Section 383.75. A certification to  
44 conduct third-party testing shall be valid for one year, and the department shall charge a fee of  
45 one hundred dollars to issue or renew the certification of any third-party tester.

46 (3) Beginning August 28, 2006, the director shall issue or renew third-party tester  
47 certification to community colleges established under chapter 178 or to private companies who  
48 own, lease, or maintain their own fleet and administer in-house testing to their employees, or to  
49 school districts and their agents that administer in-house testing to the school district's or agent's  
50 employees. Any third-party tester who violates any of the rules and regulations adopted and  
51 promulgated pursuant to this section shall be subject to having his certification revoked by the  
52 department. The department shall provide written notice and an opportunity for the third-party  
53 tester to be heard in substantially the same manner as provided in chapter 536. If any applicant  
54 submits evidence that he has successfully completed a test administered by a third-party tester,  
55 the actual driving test for a commercial driver's license may then be waived.

56 (4) Every applicant for renewal of a commercial driver's license shall provide such  
57 certifications and information as required by the Secretary and if such person transports a  
58 hazardous material must also meet the requirements of the U.S. Patriot Act of 2001 (Title X of  
59 Public Law 107-56) as specified and required by regulations promulgated by the Secretary. Such  
60 person shall be required to take the written test for such endorsement. A twenty-five dollar  
61 examination fee shall be paid upon completion of such tests.

62 (5) The director shall have the authority to waive the driving skills and written tests for  
63 any qualified current or former military service member applicant for a commercial driver's  
64 instruction permit or a commercial driver's license who is currently licensed at the time of  
65 application for a commercial driver's instruction permit or commercial driver's license. The  
66 director shall impose conditions and limitations and require certification and evidence to restrict  
67 the applicants from whom the department may accept the alternative requirements for the skills  
68 and written tests described in federal regulations 49 CFR 383.71 and 49 CFR 383.77.  
69 Applicant's shall meet all federal and state qualifications to operate a commercial vehicle.  
70 Applicants shall be required to complete all applicable tests, except when the applicant provides  
71 proof of approved military training sufficient for ~~waiver~~ **waiver** of the written knowledge and  
72 skills tests as specified in this subdivision and subdivision (5) of subsection 3 of section 302.170.

73 3. A commercial driver's license or commercial driver's instruction permit may not be  
74 issued to a person while the person is disqualified from driving a commercial motor vehicle,  
75 when a disqualification is pending in any state or while the person's driver's license is suspended,  
76 revoked, or cancelled in any state; nor may a commercial driver's license be issued unless the  
77 person first surrenders in a manner prescribed by the director any commercial driver's license  
78 issued by another state, which license shall be returned to the issuing state for cancellation.

79 4. Beginning July 1, 2005, the director shall not issue an instruction permit under this  
80 section unless the director verifies that the applicant is lawfully present in the United States  
81 before accepting the application. The director may, by rule or regulation, establish procedures  
82 to verify the lawful presence of the applicant under this section. No rule or portion of a rule  
83 promulgated pursuant to the authority of this section shall become effective unless it has been  
84 promulgated pursuant to chapter 536.

85 5. Notwithstanding the provisions of this section or any other law to the contrary,  
86 beginning August 28, 2008, the director of the department of revenue shall certify as a third-party  
87 tester any municipality that owns, leases, or maintains its own fleet that requires certain  
88 employees as a condition of employment to hold a valid commercial driver's license; and that  
89 administered in-house testing to such employees prior to August 28, 2006.

90 6. Notwithstanding the provisions of this section or any other law to the contrary,  
91 beginning December 1, 2019, the director of the department of revenue shall certify as a

92 third-party tester any private education institution or other private entity, provided the institution  
93 or entity meets the necessary qualifications required by the state.

94 **7. The director shall adopt and promulgate rules and regulations establishing a**  
95 **process for applicants with disabilities to request testing accommodations with respect to**  
96 **both the written and driving tests required under this section and to establish criteria for**  
97 **awarding such accommodations. The rules shall specify that a hearing test shall not be a**  
98 **component of the written test or driving test for any applicant who is deaf or hard of**  
99 **hearing. Any rule or portion of a rule, as that term is defined in section 536.010, that is**  
100 **created under the authority delegated in this section shall become effective only if it**  
101 **complies with and is subject to all of the provisions of chapter 536 and, if applicable,**  
102 **section 536.028. This section and chapter 536 are nonseverable and if any of the powers**  
103 **vested with the general assembly pursuant to chapter 536 to review, to delay the effective**  
104 **date, or to disapprove and annul a rule are subsequently held unconstitutional, then the**  
105 **grant of rulemaking authority and any rule proposed or adopted after August 28, 2020,**  
106 **shall be invalid and void.**

107 **8. If the United States Secretary of Transportation determines that subsection 7 of**  
108 **this section has the effect of placing the state of Missouri in noncompliance with any**  
109 **federal constitutional, statutory, or regulatory provision that would result in the loss of any**  
110 **federal aid funds to the Missouri highways and transportation commission, then subsection**  
111 **7 of this section shall be null and void.**

**302.723. 1. Notwithstanding any other provision of law, any entity providing**  
2 **commercial driver's license training to persons preparing to apply for commercial driver's**  
3 **licenses under the provisions of sections 302.700 to 302.780 shall provide reasonable**  
4 **accommodations for persons who are deaf or hard of hearing.**

5 **2. If the United States Secretary of Transportation determines that this section or**  
6 **subsection 7 of section 302.720 has the effect of placing the state of Missouri in**  
7 **noncompliance with any federal constitutional, statutory, or regulatory provision that**  
8 **would result in the loss of any federal aid funds to the Missouri highways and**  
9 **transportation commission, then this section shall be null and void.**

**303.026. 1. The director shall inform each owner who registers a motor vehicle of the**  
2 **following:**

3 (1) The existence of the requirement that every motor vehicle owner in the state must  
4 maintain his financial responsibility;

5 (2) The requirement that every motor vehicle owner show an insurance identification  
6 card, or a copy thereof, or other proof of financial responsibility at the time of vehicle

7 registration; this notice shall be given at least thirty days prior to the month for renewal and shall  
8 be shown in bold, colored print;

9 (3) The penalties which apply to violations of the requirement to maintain financial  
10 responsibility;

11 (4) The benefits of maintaining coverages in excess of those which are required;

12 (5) The director's authority to conduct samples of Missouri motor vehicle owners to  
13 ensure compliance.

14 2. No motor vehicle owner shall be issued registration for a vehicle unless the owner,  
15 or his authorized agent, signs an affidavit provided by the director of revenue at the time of  
16 registration of the vehicle certifying that such owner has and will maintain, during the period of  
17 registration, financial responsibility with respect to each motor vehicle that is owned, licensed  
18 or operated on the streets or highways. The affidavit need not be notarized, but it shall be  
19 acknowledged by the person processing the form. The affidavit shall state clearly and in bold  
20 print the following: "Any false affidavit is a crime under section 575.050 of Missouri law.". In  
21 addition, every motor vehicle owner shall show proof of such financial responsibility by  
22 presenting his or her insurance identification card, as described in section 303.024, or a copy  
23 thereof, or some other proof of financial responsibility in the form prescribed by the director of  
24 revenue at the time of registration unless such owner registers his vehicle in conjunction with  
25 a reciprocity agreement entered into by the Missouri highway reciprocity commission pursuant  
26 to sections 301.271 to 301.279 or unless the owner insures the vehicle according to the  
27 requirements of the division of motor carrier and railroad safety pursuant to section 390.126.

28 3. To ensure compliance with this chapter, the director may utilize a variety of sampling  
29 techniques including but not limited to random samples of registrations subject to this section,  
30 uniform traffic tickets, insurance information provided to the director at the time of motor  
31 vehicle registration, and persons who during the preceding year have received a disposition of  
32 court-ordered supervision or suspension. The director may verify the financial responsibility of  
33 any person sampled or reported.

34 (1) Beginning January 1, 2001, the director may require such information, as in his or  
35 her discretion is necessary to enforce the requirements of subdivision (1) of subsection 1 of this  
36 section, to be submitted from the person's insurer or insurance company. When requested by the  
37 director of revenue, all licensed insurance companies in this state which sell private passenger  
38 (noncommercial) motor vehicle insurance policies shall report information regarding the  
39 issuance, nonrenewal and cancellation of such policies to the director, excluding policies issued  
40 to owners of fleet or rental vehicles or issued on vehicles that are insured pursuant to a  
41 commercial line policy. Such information shall be reported electronically in a format as  
42 prescribed by the director of the department of revenue by rule ~~[except that such rule shall~~

43 ~~provide for an exemption from electronic reporting for insurers with a statistically insignificant~~  
44 ~~number of policies in force].~~

45 (2) When required by the director of revenue, each insurance company shall provide to  
46 the department a record of each policy issued, cancelled, terminated or revoked during the period  
47 since the previous report. ~~[Nothing in this section shall prohibit insurance companies from~~  
48 ~~reporting more frequently than once per month]~~ **The director of revenue may require**  
49 **insurance companies to provide such records as frequently as he or she deems necessary.**

50 (3) The director may use reports described in subdivision (1) of this subsection for  
51 sampling purposes as provided in this section.

52 4. Information provided to the department by an insurance company for use in  
53 accordance with this section is the property of the insurer and is not subject to disclosure  
54 pursuant to chapter 610. Such information may be utilized by the department for enforcement  
55 of this chapter but may not be disclosed except that the department shall disclose whether an  
56 individual is maintaining the required insurance coverage upon request of the following  
57 individuals and agencies only:

58 (1) The individual;

59 (2) The parent or legal guardian of an individual if the individual is an unemancipated  
60 minor;

61 (3) The legal guardian of the individual if the individual is legally incapacitated;

62 (4) Any person who has power of attorney from the individual;

63 (5) Any person who submits a notarized release from the individual that is dated no more  
64 than ninety days before the request is made;

65 (6) Any person claiming loss or injury in a motor vehicle accident in which the  
66 individual is involved;

67 (7) The office of the state auditor, for the purpose of conducting any audit authorized by  
68 law.

69 5. The director may adopt any rules and regulations necessary to carry out the provisions  
70 of subdivisions (1) through (3) of subsection 3 of this section. Any rule or portion of a rule, as  
71 that term is defined in section 536.010, that is created under the authority delegated in this  
72 section shall become effective only if it complies with and is subject to all of the provisions of  
73 chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable  
74 and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to  
75 delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional,  
76 then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2000,  
77 shall be invalid and void.

78           6. Any person or agency who knowingly discloses information received from insurance  
79 companies pursuant to this section for any purpose, or to a person, other than those authorized  
80 in this section is guilty of a class A misdemeanor. No insurer shall be liable to any person for  
81 performing its duties pursuant to this section unless and to the extent the insurer commits a  
82 willful and wanton act of omission.

83           7. The department of revenue shall notify the department of commerce and insurance of  
84 any insurer who violates any provisions of this section. The department of commerce and  
85 insurance may, against any insurer who knowingly fails to comply with this section, assess an  
86 administrative penalty up to five hundred dollars per day of noncompliance. The department of  
87 commerce and insurance may excuse the administrative penalty if an assessed insurer provides  
88 acceptable proof that such insurer's noncompliance was inadvertent, accidental or the result of  
89 excusable neglect. The penalty provisions of this section shall become effective six months after  
90 the rule issued pursuant to subsections 3 and 5 of this section is published in the code of state  
91 regulations.

92           8. To verify that financial responsibility is being maintained, the director shall notify the  
93 owner or operator of the need to provide, within fifteen days, proof of the existence of the  
94 required financial responsibility. The request shall require the owner or the operator to state  
95 whether or not the motor vehicle was insured on the verification date stated in the director's  
96 request. The request may include but not be limited to a statement of the names and addresses  
97 of insurers, policy numbers and expiration date of insurance coverage. Failure to provide such  
98 information shall result in the suspension of the registration of the owner's motor vehicle, and  
99 where applicable, the owner's or the operator's driving privilege, for failing to meet such  
100 requirements, as is provided in this chapter.

303.200. 1. After consultation with insurance companies ~~[authorized to issue automobile~~  
2 ~~liability policies]~~ **having a certificate of authority to do business in this state and actively**  
3 **writing motor vehicle liability policies**, the director of the department of commerce and  
4 insurance, **hereinafter referred to as the "director"**, shall approve a reasonable plan ~~[or plans~~  
5 ~~for the equitable apportionment among such companies of applicants for such policies and for~~  
6 ~~personal automobile and commercial motor vehicle liability]~~ **to provide motor vehicle**  
7 **insurance policies to applicants** who are in good faith entitled to but are unable to procure such  
8 policies through ordinary methods. **The plan shall be known as the Missouri Automobile**  
9 **Insurance Plan, hereinafter referred to as the "plan"**. When any such plan has been  
10 approved, all such insurance companies shall subscribe thereto and participate therein. ~~[The plan~~  
11 ~~manager, on the plan's behalf, shall contract with an entity or entities to accept and service~~  
12 ~~applicants and policies for any company that does not elect to accept and service applicants and~~

15 ~~provided in subsection 2 of this section, any company that does not so notify a plan established~~  
16 ~~for handling coverage for personal automobile risks shall be excused from accepting and~~  
17 ~~servicing applicants and policies for the next calendar year for such plan and shall pay a fee to~~  
18 ~~the plan or servicing entity for providing such services. The fee shall be based on the company's~~  
19 ~~market share as determined by the company's writings of personal automobile risks in the~~  
20 ~~voluntary market.] Any applicant for [any such] a policy **under the plan**, any person insured~~  
21 ~~under [any such] the plan, and any insurance company affected may appeal to the director from~~  
22 ~~any ruling or decision of the [manager or committee designated to operate such] plan. Any~~  
23 ~~person aggrieved hereunder by any order or act of the director may, within ten days after notice~~  
24 ~~thereof, file a petition in the circuit court of the county of Cole for a review thereof. The court~~  
25 ~~shall summarily hear the petition and may make any appropriate order or decree. [As used in this~~  
26 ~~section, the term "personal automobile" means a private passenger nonfleet vehicle, motorcycle,~~  
27 ~~camper and travel trailer, antique auto, amphibious auto, motor home, named nonowner~~  
28 ~~applicant, or a low-speed vehicle subject to chapter 304 which is not primarily used for business~~

31 ~~personal automobile risks exceeds ten million dollars in a calendar year, a company with more~~  
32 ~~than five percent market share of such risks in Missouri shall not be excused from accepting and~~  
33 ~~servicing applicants and policies of such plan under subsection 1 of this section for the next~~  
34 ~~calendar year, unless the governing body of the plan votes to allow any company with such~~  
35 ~~market share the option to be excused.]~~

36 **2. The plan shall perform its functions under a plan of operation and through a**  
37 **governing committee as prescribed in the plan of operation. Any plan of operation, prior**  
38 **to being placed in effect, shall be filed with and approved by the director. Any**  
39 **amendments to the plan of operation so adopted shall also be filed with and approved by**  
40 **the director prior to being placed in effect.**

41 **3. The plan of operation shall prescribe the issuance of motor vehicle insurance**  
42 **policies by the plan, which may include the administration of such policies by:**

43 **(1) A third-party administrator that has a certificate of authority to do business in**  
44 **this state;**

45 **(2) A nationally recognized management organization and service provider that**  
46 **specializes in the administration of motor vehicle insurance residual market mechanisms,**  
47 **subject to the approval of the director; or**

48 **(3) An insurance company that has a certificate of authority to do business in this**  
49 **state.**

50           **4. No form of a policy, endorsement, rider, manual of classifications, rules, or rates,**  
51 **no rating plan, nor any modification of any of them proposed to be used by the plan shall**  
52 **be used prior to approval by the director.**

53           **5. Any policy of insurance issued by the plan shall conform to the provisions of this**  
54 **chapter and any insurance law of this state applicable to motor vehicle insurance policies,**  
55 **except any law that specifically exempts the plan from the purview of the law.**

56           **6. The plan shall:**

57           **(1) File with the director, no later than June thirtieth of each year, annual audited**  
58 **financial reports for the preceding year;**

59           **(2) Be subject to examination by the director under sections 374.205 to 374.207;**

60           **(3) Have the authority to make assessments on member insurance companies if the**  
61 **funds from policyholder premiums and other revenues are not sufficient for the sound**  
62 **operation of the plan. An assessment upon a member insurance company shall be in the**  
63 **same proportion to its share of the voluntary market premium for the type of policies**  
64 **written under the plan. The procedures for levying assessment shall be prescribed in the**  
65 **plan of operation.**

66           **7. There shall be no liability imposed on the part of, and no cause of action of any**  
67 **nature shall arise against, any member insurer or any member of the governing committee**

69 **under this section.**

304.170. 1. No vehicle operated upon the highways of this state shall have a width,  
2 including load, in excess of one hundred two inches, except clearance lights, rearview mirrors  
3 or other accessories required by federal, state or city law or regulation. Provided however, a  
4 recreational vehicle as defined in section 700.010 may exceed the foregoing width limits if the  
5 appurtenances on such recreational vehicle extend no further than the rearview mirrors. Such  
6 mirrors may only extend the distance necessary to provide the required field of view before the  
7 appurtenances were attached.

8           2. No vehicle operated upon the interstate highway system or upon any route designated  
9 by the state highways and transportation commission shall have a height, including load, in  
10 excess of fourteen feet. On all other highways, no vehicle shall have a height, including load,  
11 in excess of thirteen and one-half feet, except that any vehicle or combination of vehicles  
12 transporting automobiles or other motor vehicles may have a height, including load, of not more  
13 than fourteen feet.

14           3. No single motor vehicle operated upon the highways of this state shall have a length,  
15 including load, in excess of forty-five feet, except as otherwise provided in this section.

16           4. No bus, recreational motor vehicle or trackless trolley coach operated upon the  
17 highways of this state shall have a length in excess of forty-five feet, except that such vehicles  
18 may exceed the forty-five feet length when such excess length is caused by the projection of a  
19 front safety bumper or a rear safety bumper or both. Such safety bumper shall not cause the  
20 length of the bus or recreational motor vehicle to exceed the forty-five feet length limit by more  
21 than one foot in the front and one foot in the rear. Notwithstanding any provision of this section  
22 to the contrary, an articulated bus, comprised of two or more sections connected by a flexible  
23 joint or other mechanism, may be up to sixty feet in length, not including safety bumpers which  
24 may extend one foot in front and one foot in the rear, and not including bicycle storage racks  
25 which may extend over the safety bumper by up to five feet when in the down position  
26 transporting a bicycle. The term "safety bumper" means any device which may be fitted on an  
27 existing bumper or which replaces the bumper and is so constructed, treated, or manufactured  
28 that it absorbs energy upon impact.

29           5. No combination of truck-tractor and semitrailer or truck-tractor equipped with  
30 dromedary and semitrailer operated upon the highways of this state shall have a length, including  
31 load, in excess of sixty feet; except that in order to comply with the provisions of P.L. 97-424  
32 codified in Title 23 of the United States Code, 23 U.S.C. Section 101, et al., as amended, no  
33 combination of truck-tractor and semitrailer or truck-tractor equipped with dromedary and  
34 semitrailer operated upon the interstate highway system of this state shall have an overall length,  
35 including load, in excess of the length of the truck-tractor plus the semitrailer or truck-tractor  
36 equipped with dromedary and semitrailer. The length of such semitrailer shall not exceed  
37 fifty-three feet.

38           6. In order to comply with the provisions of P.L. 97-424 codified in Title 23 of the  
39 United States Code, 23 U.S.C. Section 101, et al., as amended, no combination of truck-tractor,  
40 semitrailer and trailer operated upon the interstate highway system of this state shall have an  
41 overall length, including load, in excess of the length of the truck-tractor plus the semitrailer and  
42 trailer, neither of which semitrailer or trailer shall exceed twenty-eight feet in length, except that  
43 any existing semitrailer or trailer up to twenty-eight and one-half feet in length actually and  
44 lawfully operated on December 1, 1982, within a sixty-five foot overall length limit in any state,  
45 may continue to be operated upon the interstate highways of this state. On those primary  
46 highways not designated by the state highways and transportation commission as provided in  
47 subsection 11 of this section, no combination of truck-tractor, semitrailer and trailer shall have  
48 an overall length, including load, in excess of sixty-five feet; provided, however, the commission  
49 may designate additional routes for such sixty-five foot combinations.

50           7. (1) Automobile transporters, boat transporters, truck-trailer boat transporter  
51 combinations, and stinger-steered combination boat transporters having a length not in excess

52 of seventy-five feet may be operated on the interstate highways of this state and such other  
53 highways as may be designated by the commission for the operation of such vehicles plus a  
54 distance not to exceed ten miles from such interstate or designated highway. All length  
55 provisions regarding automobile or boat transporters, truck-trailer boat transporter combinations  
56 and stinger-steered combination boat transporters shall include a semitrailer length not to exceed  
57 fifty-three feet and are exclusive of front and rear overhang, which shall be no greater than a  
58 three-foot front overhang and no greater than a four-foot rear overhang.

59 (2) Stinger-steered combination automobile transporters having a length not in excess  
60 of eighty feet may be operated on the interstate highways of this state and such other highways  
61 as may be designated by the commission for the operation of such vehicles plus a distance not  
62 to exceed ten miles from such interstate or designated highway. All length provisions regarding  
63 stinger-steered automobile combination transporters are exclusive of front and rear overhang,  
64 which shall be no greater than a four-foot front overhang and no greater than a six-foot rear  
65 overhang.

66 (3) Automobile transporters may transport cargo or general freight on a backhaul, as long  
67 as in compliance with weight limitations for a truck-tractor and semitrailer combination as  
68 outlined in section 304.180.

69 8. Driveaway saddlemount combinations having a length not in excess of ninety-seven  
70 feet may be operated on the interstate highways of this state and such other highways as may be  
71 designated by the commission for the operation of such vehicles plus a distance not to exceed  
72 ten miles from such interstate or designated highway. Saddlemount combinations must comply  
73 with the safety requirements of Section 393.71 of Title 49 of the Code of Federal Regulations  
74 and may contain no more than three saddlemounted vehicles and one fullmount.

75 9. No truck-tractor semitrailer-semitrailer combination vehicles operated upon the  
76 interstate and designated primary highway system of this state shall have a semitrailer length in  
77 excess of twenty-eight feet or twenty-eight and one-half feet if the semitrailer was in actual and  
78 lawful operation in any state on December 1, 1982, operating in a truck-tractor  
79 semitrailer-semitrailer combination. The B-train assembly is excluded from the measurement  
80 of semitrailer length when used between the first and second semitrailer of a truck-tractor  
81 semitrailer-semitrailer combination, except that when there is no semitrailer mounted to the  
82 B-train assembly, it shall be included in the length measurement of the semitrailer.

83 10. No towaway trailer transporter combination vehicles operated upon the interstate and  
84 designated primary highway system of this state shall have an overall length of more than  
85 eighty-two feet.

86 11. The commission is authorized to designate routes on the state highway system other  
87 than the interstate system over which those combinations of vehicles of the lengths specified in

88 subsections 5, 6, 7, 8, 9, and 10 of this section may be operated. Combinations of vehicles  
89 operated under the provisions of subsections 5, 6, 7, 8, 9, and 10 of this section may be operated  
90 at a distance not to exceed ten miles from the interstate system and such routes as designated  
91 under the provisions of this subsection.

92 12. Except as provided in subsections 5, 6, 7, 8, 9, 10, and 11 of this section, no other  
93 combination of vehicles operated upon the primary or interstate highways of this state plus a  
94 distance of ten miles from a primary or interstate highway shall have an overall length, unladen  
95 or with load, in excess of sixty-five feet or in excess of fifty-five feet on any other highway.

96 13. (1) Except as hereinafter provided, these restrictions shall not apply to:

97 (a) Agricultural implements operating occasionally on the highways for short distances  
98 including tractor parades for fund-raising activities or special events, provided the tractors are  
99 driven by licensed drivers during daylight hours only and with the approval of the superintendent  
100 of the Missouri state highway patrol; ~~or to~~

101 (b) Self-propelled hay-hauling equipment or to implements of husbandry, or to the  
102 movement of farm products as defined in section 400.9-102 or to vehicles temporarily  
103 transporting agricultural implements or implements of husbandry or road-making machinery, or  
104 road materials or towing for repair purposes vehicles that have become disabled upon the  
105 highways; ~~or to~~

106 (c) **Vehicles towing trailers specifically designed to carry harvested cotton, either**  
107 **as a single trailer or in tandem, with a total length, including the trailer or trailers, of not**  
108 **more than ninety-three feet; such vehicles shall only be used to haul harvested cotton,**  
109 **except when hauling hay within the state to areas affected by drought as determined by the**  
110 **National Drought Mitigation Center; or**

111 (d) Implement dealers delivering or moving farm machinery for repairs on any state  
112 highway other than the interstate system.

113 (2) Implements of husbandry and vehicles transporting such machinery or equipment and  
114 the movement of farm products as defined in section 400.9-102 may be operated occasionally  
115 for short distances on state highways when operated between the hours of sunrise and sunset by  
116 a driver licensed as an operator or chauffeur.

117 (3) Notwithstanding any other provision of law to the contrary, agricultural machinery  
118 and implements may be operated on state highways between the hours of sunset and sunrise for  
119 agricultural purposes provided such vehicles are equipped with lighting meeting the requirements  
120 of section 307.115.

121 14. As used in this chapter the term "implements of husbandry" means all self-propelled  
122 machinery operated at speeds of less than thirty miles per hour, specifically designed for, or  
123 especially adapted to be capable of, incidental over-the-road and primary offroad usage and used

124 exclusively for the application of commercial plant food materials or agricultural chemicals, and  
125 not specifically designed or intended for transportation of such chemicals and materials.

126 15. Sludge disposal units may be operated on all state highways other than the interstate  
127 system. Such units shall not exceed one hundred thirty-eight inches in width and may be  
128 equipped with over-width tires. Such units shall observe all axle weight limits. The commission  
129 shall issue special permits for the movement of such disposal units and may by such permits  
130 restrict the movements to specified routes, days and hours.

304.172. The provisions of sections 304.170 to 304.240 relating to height, width,  
2 ~~[weight,]~~ **and** length ~~[and load]~~ restrictions for motor vehicles shall not apply to any motor  
3 vehicle and its attached apparatus which is designed for use and used by a fire department, fire  
4 protection district or volunteer fire protection association or when being operated by a fire  
5 apparatus manufacturer or sales organization for the purpose of sale, demonstration, exhibit, or  
6 delivery to a fire department, fire protection district or volunteer fire protection association.

304.180. 1. No vehicle or combination of vehicles shall be moved or operated on any  
2 highway in this state having a greater weight than twenty thousand pounds on one axle, no  
3 combination of vehicles operated by transporters of general freight over regular routes as defined  
4 in section 390.020 shall be moved or operated on any highway of this state having a greater  
5 weight than the vehicle manufacturer's rating on a steering axle with the maximum weight not  
6 to exceed twelve thousand pounds on a steering axle, and no vehicle shall be moved or operated  
7 on any state highway of this state having a greater weight than thirty-four thousand pounds on  
8 any tandem axle; the term "tandem axle" shall mean a group of two or more axles, arranged one  
9 behind another, the distance between the extremes of which is more than forty inches and not  
10 more than ninety-six inches apart.

11 2. An "axle load" is defined as the total load transmitted to the road by all wheels whose  
12 centers are included between two parallel transverse vertical planes forty inches apart, extending  
13 across the full width of the vehicle.

14 3. Subject to the limit upon the weight imposed upon a highway of this state through any  
15 one axle or on any tandem axle, the total gross weight with load imposed by any group of two  
16 or more consecutive axles of any vehicle or combination of vehicles shall not exceed the  
17 maximum load in pounds as set forth in the following table:

79 Notwithstanding the above table, two consecutive sets of tandem axles may carry a gross load  
 80 of thirty-four thousand pounds each if the overall distance between the first and last axles of such  
 81 consecutive sets of tandem axles is thirty-six feet or more.

82 4. Whenever the state highways and transportation commission finds that any state  
 83 highway bridge in the state is in such a condition that use of such bridge by vehicles of the  
 84 weights specified in subsection 3 of this section will endanger the bridge, or the users of the
