20 2. Subject to securing a cooperative agreement with a nonprofit entity for funding
21 of the program, there is hereby established within the department of health and senior
22 services two "Prostate Cancer Pilot Programs" to fund prostate cancer screening and
23 treatment services and to provide education to men residing in this state. One prostate
24 cancer pilot program shall be located in an urban area and one prostate cancer pilot
25 program shall be located in a rural area. The department may directly contract with the
26 Missouri Foundation for Health, or a successor entity, in the delivery of the pilot program.
27 For purposes of this section, the contracting process of the department with these entities
28 need not be governed by the provisions of chapter 34.

29 3. The program shall be open to:

30 (1) Uninsured men or economically challenged men who are at least fifty years of
31 age; and

32 (2) On the advice of a physician or at the request of the individual, uninsured men
33 or economically challenged men who are at least thirty-five years of age but less than fifty
34 years of age and who are at high risk for prostate cancer.

43 program to:

44 (1) Local health departments; and

45 (2) Federally qualified health centers.

46 6. Three years from the date on which the grants are first administered under this
47 section, the department shall report to the governor and general assembly:

48 (1) The number of individuals screened and treated under the program, including
49 racial and ethnic data on the individuals who are screened and treated; and

50 (2) To the extent possible, any cost savings achieved by the program as a result of
51 early detection of prostate cancer.

52 7. The department shall promulgate rules to establish guidelines regarding
53 eligibility for the program and to implement the provisions of this section. Any rule or
54 portion of a rule, as that term is defined in section 536.010, that is created under the
55 authority delegated in this section shall become effective only if it complies with and is
56 subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This
57 section and chapter 536 are nonseverable, and if any of the powers vested with the general
58 assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove
59 and annul a rule are subsequently held unconstitutional, then the grant of rulemaking
60 authority and any rule proposed or adopted after August 28, 2020, shall be invalid and
61 void.

62 8. Under section 23.253 of the Missouri sunset act:

63 (1) The provisions of the new program authorized under this section shall
